## March 2013

### Origins of the Easter Bunny

The Easter Bunny, while seemingly unrelated to the Christian origin of Easter, actually can be linked to the holiday quite easily. According to *Snopes.com*, the hare itself was revered in pre-Christian times as a holy creature associated with fertility and spring. "Important divinations about the character of the coming year were made from studying its movements," writes Barbara Mikkelson.

The more "modern" figure of the Easter Bunny is found in 16th century German literature as a deliverer of eggs—a sort of springtime Santa Claus who rewarded well-behaved children with colored eggs.

Eggs have other, additional links to Easter. For eons, they have been an obvious symbol of resurrection, continuing life and fertility. Early humans viewed the egg as a natural wonder and proof of the renewal of life. Early Christians adopted the egg as a symbol of Christ's resurrection from the tomb (an enclosure from which new life emerges).

The modern incorporation of Easter eggs partly stems from the fact that, for centuries, eggs were a forbidden food during Lent. Thus, people considered eating them to be a special treat at Easter.

To celebrate this special time of year at Bay Village, please join us for communion on Good Friday at vespers (3:30 p.m.) as well as our annual Sunrise Service on the rooftop garden at 7:30 a.m. Easter morning. Traditional Easter dinner will be served at noon, 2 p.m. and 4 p.m. in the dining room.

## Village Vibes

### Concerts

There are a few upcoming off premise concerts that Bay Village has a bus scheduled to go to! Irish comedian and singer Cahal Dunne performs at St. Thomas More on Friday, March 8. The bus will depart at 6:15 p.m. and tickets are \$8.

On March 17 acoustic duo "Singing Tree" performs at Pine Shores Church. They play folk music with a classical twist! Ray Belanger plays hammered dulcimer and Lloyd Goldstein plays double bass. Sounds interesting! The bus departs for this concert at 4:15 p.m.

Sign up in the activity book if you'd like to go!

Doris Parker blowing out her candles (with a little help from her friends)! Doris passed the century mark in February!

### Entertainment Programs

On Thursday, March 7, we welcome back jazz pianist and singer *Betty Comora* to the Bay Village stage! Tonight she will present "Fanny Brice Tells All." We all know of Fanny Brice! Born in New York, Ms. Brice is most famous for "*The Baby Snooks Show*," and Barbra Streisand's portrayal of her in the musical "*Funny Girl*." Join Betty tonight as she salutes this Hollywood icon!

On Thursday, March 14, at 7:30 p.m., we welcome the rich vocals of Pete Tavalin, "The Sounds of Silents" back to the stage! Pete has a unique talent—he provides the background music for SILENT films! This is something that took him YEARS to develop ... it's harder to do that than it looks! This time, we have chosen a comedy. Charlie Chaplin's "*The Kid*." Read more about Peter on his website, [www.petertavalin.com](http://www.petertavalin.com).

### NOTE:

ALL entertainment programs take place in the auditorium unless noted otherwise! See you there!

The Suncoast Mimmers String Band

### Entertainment Programs

We couldn't help but invite "The Suncoast Mimmers" back to get our string band music fix! They strut in their elaborate and beautiful costumes all over our auditorium and they have definitely won the award for "group who brings the most equipment" to Bay Village when they visit! If you have no idea what a "mummer" is, you can find out on the band's website, [www.suncoastmimmers.com](http://www.suncoastmimmers.com). Expect to hear very upbeat music tonight—they even bring a glockenspiel! They raise money at each concert for scholarships that are awarded to promising music students. Join us on Thursday, March 21, at 7:30 p.m.! You'll feel like you've been transported to Broad Street in Philadelphia on New Year's Day!

On Thursday, March 28, at 7:30 p.m. we welcome "The First Brass." Although founder and leader of this group, Gary Reinstrom has performed here at Bay Village on numerous occasions, this group as an ensemble has not! The First Brass is made up of professional brass and percussion musicians and is the resident ensemble of First Presbyterian Church.

## Day Trips and Travel

We are in the midst of signing people up to go back to the Straz Center for the Tony-Award winning *“War Horse.”* Based on the book as well as the recent movie, *“War Horse”* tells the intense and powerful story of one horse’s journey during WWI. At the heart of this show are the astonishing and award-winning puppets, breathing life to the galloping horses on stage. The date for this show is May 2.

When we go to EPCOT, we usually go to the Food & Wine Festival. We’ve had numerous requests for another visit to EPCOT, but for the Flower & Garden Festival. So join us on April 17 if you’d like to go! If you have never been, the topiaries and other displays at EPCOT during the festival are really indescribable! This is something that you have to see to believe! We’ll depart mid-morning and spend most of our time in World Showcase visiting the countries and enjoying the flowers, entertainment, fabulous food & fireworks.

## B.I.L.L. Series News

Our current DVD series ends at the end of this month! We are glad everyone enjoyed it!

To commemorate the opening of baseball season, we will feature a documentary by Ken Burns, *“The Tenth Inning.”* Beginning on April 2, we hope you will join us for this unforgettable series whether or not you are a baseball fan, as this is also a lesson in recent American history. Combining extraordinary highlights, stunning still photographs, and insightful commentary by players, managers and fans *The Tenth Inning* interweaves our national pastime with the story of America. Each session begins at 7:30 p.m. in the auditorium.

Our group at the bayfront one mile walk in January! Have they INSPIRED you to walk the bridge with us? Hope so!!

## Ringling Bridge Walk

Join Petra on March 6, to walk across the Ringling Bridge. If you missed the competitive walk in January, this is your chance to walk the bridge at your own speed and enjoy the beautiful scenery of Sarasota Bay. Walk OVER AND BACK for the biggest challenge or just ONE WAY. The bus will meet you at either end!

After the walk we are heading to St. Armands Circle for lunch or shopping. Your choice.

## The Village Vibes

### Housekeeping Helpful Hints!

If you have a lot of boxed food like cereal, crackers, cookies, etc., it’s a good idea to store it in air-tight plastic reusable containers. The food stays fresher longer and you don’t drop as many crumbs, which ants love!

We are taking donations of used tennis balls ... just bring them downstairs to Larry’s office and drop them off. Thank you!

We are also offering spring cleaning this time of year! Maybe you’d like your refrigerator reorganized and cleaned or maybe your furniture moved, vacuumed under? Those are just two ideas of many that our efficient and smiling housekeeping staff can assist you with. Call our supervisor, Denise, at ext. 2110 to make an appointment.

## MOVIE NEWS!

This month, the movies we will show take place in the countries we are "walking through" in March: IRELAND & ITALY. We hope you enjoy the movies ... and especially the scenery!

## Resident Council

Our next resident council meeting is March 5 at 2 p.m. All welcome!

## Chats!

Join us for CHATS & stay informed! Our MARCH meetings are on the 7th & the 21st at 10 a.m. in the auditorium.

### Age Is Just a Number

March 18-24 is Wellderly Week, which recognizes older adults who never act their age. Is that a good thing or a bad thing? You decide!

### Cheers!

Toast like the Irish on St. Patrick's Day by saying "Cheers" in Gaelic: "Sláinte" (pronounced *slaan-cheh*). You're going to need this information at our party on the 14th!

### RAINBOWS & SHOWERS

RAINBOWS for the fascinating trip we took with "Big Top Tours." Our step-a-board guides were experts on Sarasota Circus History and everyone learned a thing or two!

SHOWERS for people who carry coffee or other liquids in open mugs or cups. Small spills create a safety hazard! Reusable mugs and cups with a tightly fitting lid are an easy solution to this problem! AND- you are helping save our planet from Styrofoam waste!

RAINBOWS for the fun we had at the "NUANCE" Ragtime concert! Lots of great piano and a sing along or two made for an upbeat and fun evening.

RAINBOWS for our TEAM of WALKERS in the One Mile Fun Run in January! Yes- we'll enter the "Ringling Bridge Run" again next year! Walking along the bayfront is a real treat!

RAINBOWS for the Valentine's Day Tea! A wonderful afternoon with friends~

RAINBOWS for CIRCUS MONTH!

SHOWERS on people who don't turn in their volunteer hours!

### Walk Across Europe

On March 14, we will kick off the "Walk across Europe."

Program with a big Irish Party. You guessed right, that is the first country that we will stop at.

Please sign up for this program by calling Petra at Ext. 4033. No charge. Every participant who reaches a certain point on our map will receive a T-shirt. We will have a **T-shirt Design Contest**. Watch out for a flyer in your mailbox.

All you need to do is record your physical activity and submit it every other week to Petra. She will move the pin with your name on it on the map in the Wellness Center. If you exercise 3 times per week you will reach the goal in 15 weeks.

On the way across Europe we will also stop in Italy during March. Get educated about the country and the food and have some fun together.

### From the Dining Services Director

Did you know that March 7 is "Bay Village Dining Services Appreciation" Day? Back in 2002, after the completion of the kitchen renovation, the Bay Village Board of Directors decreed March 7 as Dining Services Appreciation Day. This was done in recognition for the staff's efforts during the main kitchen renovation. The staff prepared meals in a temporary kitchen at the back of the building and did not miss a beat during the five month project.

As you go about your day on Thursday, March 7, please recognize the Dining Services staff for their efforts. I know they will appreciate it.

# March 2013

Chaplain's Corner  
Rev. Dr. Chuck Moffett

The season of Lent is a journey. It is a journey of reflection, renewal, and recommitment. For Christians, it is reminiscent of the journey Jesus traveled toward his crucifixion, burial, and resurrection—a journey which entailed rejection and ridicule, but, through the power of God, resulted in new life for him and for all of us.

Oftentimes we feel we are on a journey encased in violence (Sandy Hook tragedy), war (Afghanistan), and uncertainty (personal income and federal debt). We yearn for a new beginning: socially, politically, and spiritually. Our problem is we do not know where, or when, or how to begin a new direction for ourselves and for our world. In the words of Jesus: *"Now is the time! Change your hearts and lives, and trust in this good news."*

Sounds good, but HOW? Perhaps you have seen the bumper sticker which proclaims: *"BE the change you want to see in the world."* The wisdom of this saying is the truth that renewal must begin with each of us as we are open to the Spirit of God at work. We cannot leave renewal to the next person, for the next person often will not change unless they see it in us.

The good news is that every day we have a chance to make a difference. Some days we do better than others, but do not lose heart. Each day is a new beginning to try again. Start today. Start with yourself. Imagine what the world would be like if each of us lived by the values of our God. Let us begin today—and let us begin here at Bay Village.
