The "Perfect" Ingredients?

It's that time of year again! Time to honor our exemplary group of volunteers with our annual Volunteer Luncheon. Each year, Bay Village Volunteers give tens of thousands (no kidding) of hours of time running everything from the Library to the Gift Shop to the Country Store.

This year, our theme is "Our Volunteers Are the Perfect Ingredients!" Even if you don't cook, everyone knows what happens when you combine all the "perfect" ingredients when creating a favorite recipe, right? A delicious combination working together with one goal in mind: SUCCESS.

Join us on Thursday, May 30, at 12:30 p.m. in the dining room for another DELICIOUS lunch and some fun surprises. Everyone who volunteers in any capacity should receive an invitation in the next two weeks. Don't forget to drop the R.S.V.P. card in the basket by the Resident Services office! If you volunteer and do not receive an invitation, please call us at ext. 4005 so we can get you one!

History of Memorial Day

Memorial Day, originally called Decoration Day, is a day of remembrance for those who died in our nation's service. It was officially proclaimed on May 5, 1868, by a general. It was first observed on May 30, 1868, when flowers were placed on the graves of Union and Confederate soldiers at Arlington National Cemetery. At Bay Village, we honor our fallen soldiers during our annual Memorial Day Ceremony. Join us on Monday, May 27, at 11 a.m. in the auditorium. Following the ceremony, our Memorial Day picnic will be held in the dining room at noon, 2 p.m. or 4 p.m.. Reserve your time soon by calling ext. 2113! Happy Memorial Day, everyone!

Entertainment Programs

On Thursday, May 9, at 7:30 p.m., we welcome the "Three Divas and the Dons" back to the Bay Village stage! Featuring Bonnie Caplan, harp; Lorraine Murphy, lyric soprano; Amy Connours, mezzo soprano; Steve McCoy, piano; and Tim O'Connor, baritone. All professional performers, this group "knocks our socks off" each and every time they perform. Expect to hear everything from Broadway favorites to Gershwin to a classical number or two. Bonnie can even play "In the Mood" on the harp! This is May's "must see" show for sure, so arrive early for the best seats. You can find out more about these well educated and experienced performers at www.3divasandthedons.com.

May Is for Moms

Tell all the mothers you know "Happy Mother's Day" on the second Sunday in May. Bay Village will have a special menu in the dining room today with seatings at noon, 2 p.m., and 4 p.m. Call ext. 2113 for reservations!

Entertainment Programs

Classical guitarist Dean Miller will perform at the 4 p.m. seating on Mother's Day. Dean is an exacting and excellent classical guitarist and receives positive comments each time he performs. To learn more about him or hear the type of music you will enjoy today, visit www.deanmiller.com.

MOVIE NEWS!

Since the countries we will visit this month are Spain and Greece, we will show movies that take place in these countries. Our "GREECE" movies include "Zorba the Greek" starring Anthony Quinn; The James Bond thriller "For Your Eyes Only" starring Roger Moore; "Captain Corelli's Mandolin" starring Nicholas Cage and "My Big Fat Greek Wedding." On Mother's Day, we'll show the charming musical "Mamma Mia," which not only takes place in Greece, but is a good story about mothers and daughters. It stars Meryl Streep.

Our "SPAIN" movies include "Beyond a Pale Horse" starring Gregory Peck; "Man of La Mancha" starring Sophia Loren; "The Mission" starring Robert DeNiro; and the hilarious "City Slickers" starring Billy Crystal.

Day Trips and Travel

We had to change the date for our EPCOT trip for the "Flower & Garden Festival." The new date is May 16 and you will receive a flyer in your mailbox with more details soon, including lunch plans at a new wine/tapas bar in the ITALY pavilion and a wonderful dinner in the FRANCE pavilion. This trip "counts" as a credit in the "Walk Across Europe" wellness event!

We will also head to ECHO in Ft. Myers again this month. ECHO stands for "Education Concerns for Hunger Organization." They focus on educating community development volunteers with the skills and knowledge they need when they go to assist in poor countries. They even have a seed farm that provides free samples to poor farmers. This trip has been well received by our group in the past, so if you haven't been to ECHO and would like to learn more about what they do, join us on May 22~the departure time will be listed on your flyer.

B.I.L.L. Series News

Our current series is a documentary by Ken Burns, "The Tenth Inning."

We hope you will join us for this unforgettable series whether or not you are a baseball fan, as this is also a lesson in recent American history. Combining extraordinary highlights, stunning still photographs, and insightful commentary by players, managers and fans, The Tenth Inning interweaves our national pastime with the story of America. Each session begins at 7:30 p.m. in the auditorium. Warning: each DVD in this series is roughly the length of an average movie, so plan on spending more than 90 minutes for most of the sessions.

Bill Crowe will hold another 4-week iPad class on Fridays, beginning on May 24. There will be a class for "beginners" and a class for "intermediate" users. This is being provided by our partners in learning at "Adult and Community Education." We will have iPads

available for you to borrow, like we did last time, so you can decide if the device is something you might want to purchase for yourself after taking class. If you would like one of the 13 spaces available in the BEGINNER class, sign up for the first class, which is at 9 a.m.

If you are an INTERMEDIATE user, sign up for the class that begins at 10:15 a.m. PLEASE note if you own an iPad or you would like to borrow one in the margin when you sign up. We have limited availability.

The Village Vibes

Charles M. Schulz created one of the most popular and recognizable comic strips of all time, "Peanuts," which tells the story of Charlie Brown and his friends.

Schulz did all the art, lettering and inking of the strips himself, which is unusual for a comic strip creator.

During the nearly 50-year run of the strip, he only once took a vacation—five weeks in celebration of his 75th birthday.

Almost 18,000 total strips appeared. Schulz requested that no new strips be made after his death, so only reruns have appeared since 2000.

Schulz hated the name "Peanuts." He stated, "It's totally ridiculous, has no meaning, is simply confusing, and has no dignity—and I think my humor has dignity."

WELLNESS CORNER

We're continuing the "Walk Across Europe" everyone! We applaud your efforts so far! Our first wellness outing will be a "Breakfast on the Beach" event on May 1. Join us as we head to South Lido Park at 9 a.m. for a walk and a breakfast picnic. They have plenty of picnic tables and we can drop off everyone fairly close to the picnic area, so if you don't want to walk, feel free to come along just for the picnic if you wish!

On May 22, we are taking a trip to tour Echo (Educational Concerns for Hunger Organization) Farms in North Fort Myers.

Two Wellness Lectures will give you another chance to score points by attending.

May 14, we have Dr. Chait talk to us about Nutrition and have some healthy snacks.

RAINBOWS AND SHOWERS

Whether you need help on a continuous basis, or just a few days of assistance after a hospitalization, this is your BEST solution to provide the help you need at a reasonable price! Kathy Rautio is the supervisor of this department and can be reached at ext. 4111.

SHOWERS for any person who feels it necessary to "borrow" items such as newspapers or books from other people's baskets outside of our apartments.

RAINBOWS for our housekeeping department! Everyone who visits here notices how CLEAN our beautiful building is, and we owe it to these 25 dedicated staff members for being so fantastic at what they do!

SHOWERS for library newspaper stealers. Also, don't take a portion of the paper and leave the remaining sections. Our newspaper subscriptions

are purchased so everyone can enjoy the entire paper. Thanks!

RAINBOWS for our APRIL entertainment programs! We enjoyed everything from bagpipes to viola, vocals to Highland Dance! Thanks for attending and enjoying!

WELLNESS CORNER (continued)

May 21, Dr. Aldrich will speak about "Oh, My Aching Legs." He will discuss causes of leg pain and treatment for Peripheral Artery Disease and Peripheral Venous Disease.

A salute to two Mediterranean countries, Spain and Greece, will be another possibility to have fun, score points and learn about the countries.

Over 100 residents are participating in this program and you can still join the crowd.

Come to the Wellness Center and check out the big map of Europe to see where the pin with your name is located.

From the Dining Services Director

I cannot let the Resident Council year end without expressing my deepest gratitude to your hardworking Dining Services committee. This committee, who met monthly with me and my staff, was chaired by a great lady. Thanks to the guidance and leadership of Mrs. Lorraine Hester, this group reported all of your feedback on your Dining Services program. Each and every committee member presented a report from their respective floor providing valuable and constructive suggestions. As a result of this hard working group, Dining Services received a 95% satisfaction rating in the recent Resident satisfaction survey. On behalf of my entire staff, I wish to again thank Mrs. Hester and the 2012\2013 Dining Services committee members for all their efforts. My staff and I really appreciate it.

Employee of the Month

Elvira Esparza, one of our fantastic servers in the dining room, was named "Employee of the Month!" Not only is she a fantastic server, Elvira is also the creator of Elvira's "FAMOUS" quesadillas! Every few months, she switches uniforms and spends her day in the kitchen creating delicious quesadillas. Yum!! Keep up the good work, Elvira!

Wear It for Wisdom

Like the gardens and grass of spring, May's birthstone, the emerald, dazzles with a brilliant green. Some believe wearing an emerald brings wisdom and patience.

A Note of THANKS to Ehsan Shah for Another Great Presentation at the Book Club Meeting!

Chaplain's Corner
Rev. Dr. Chuck Moffett

Thursday, April 4, 2013, at 4 p.m. a plane landed in Gulfport, MS. It carried only military personnel. Two important passengers deplaned.

One passenger was my son, Dave, returning stateside after 8 months active duty service with the U.S. Navy Seabees in Afghanistan. The other passenger was Nick Monteforte, retired U.S. Army, returning stateside after a family vacation in Germany.

Dave was returning to celebrate life. While I could not be there to greet him in person, I was told later by family who were there that he looked great. That was confirmed for me at 4:30 when I heard his voice on the phone. JOY!

Nick was returning to face death. Nick is the son of Sam Monteforte here at Bay Village. Nick knew his dad's health was declining and was in hopes of arriving before his dad died. There was no one at the airport to welcome Nick and his wife, Cathy. Only later did Nick learn that dad had died while Nick was en route.

Dave and Nick, on the same plane together, but neither one knew the other, nor the reason for each of them being on that flight. It only was later in separate conversations I had with Dave and Nick that I felt the poignancy of *unintentional missed connections*. How I wish they had connected on that flight to have been a support to each other. I hope sometime they will meet.

May we find ways to change *missed connections* into *intentional* connections of support and care.
