## January 2014

### Magical Music Month II

Last year, we declared January “Magical Music Month.”

This January we’ll repeat that theme with some outstanding performances!

A returning favorite, the *“LOPEZ/TABOR DUO,”* will perform on Thursday, Jan. 16, at 7:30 p.m. Michelle Tabor, piano, and Alfonso Lopez, violin, receive a standing ovation each year they perform, so we keep inviting them back! The duo has been performing together since 2004 in both the U.S. and Venezuela.

Alfonso Lopez is one of the most prominent musicians in his country and is concertmaster of the Venezuela Symphony Orchestra. He also teaches and composes in his spare time! Michelle Tabor received her doctorate in piano performance and theory from Tulane University.

You can find more information about the duo as well as see some videos of them performing on their website, [www.lopeztaborduo.embarqspace.com](http://www.lopeztaborduo.embarqspace.com)

### MORE Magic Music!

There is a local jazz band that needed a spot to rehearse! So, we've got the "Good Time Jazz Band" here every Thursday from 2:30 to 4:30 p.m. in the auditorium. Guess what? They would LOVE for any interested resident to come to their rehearsals! We'll open the dance floor in case the mood strikes! They are a 17-piece band, by the way!

### MORE Magic Music!

Katie Eagleson is a new performer at Bay Village! The poster below certainly does a good job of describing what type of vocalist she is and what type of music you will hear this evening! Make sure you join us on Thursday, Jan. 9, at 7:30 p.m. if you enjoy easy listening tunes!

### Chef's Corner

Hello everyone! Chef Chris Mandzik here ... I've had the privilege of being here at Bay Village for five months now, and it has been such a wonderful experience. Having moved from New York to Florida, it has been a big change to say the least. My beautiful wife, Jen, and our spunky 5-year-old daughter, Emma, are adjusting very nicely.

I hope everyone had a wonderful holiday season and I hope you are enjoying some of the new dishes coming out of our kitchen! Early in the new year I plan on conducting a cooking demonstration and I would also like to start a "Chef's Table" dinner event. More details to follow. Thank you all for your comments and suggestions; they are all taken to heart!

### Day Trips and Travel

We have NUMEROUS events coming up that you might want to get on your calendar!

There is a wonderful costume exhibit at Ringling, so we'd like to take a group on Friday, Jan. 3, to that. We'll have lunch at Treviso following!

We have two events reserved that are sponsored by Circus Sarasota. The first, a new show this year, "EXTREME VEGAS," is scheduled for Jan. 17! We also have our annual trip to the fantastic Circus Sarasota reserved on Feb. 19. We'll have lunch that day before our matinee! Watch your mail for the flyers with further details of all these trips!

### MORE Magic Music!

We're always happy to announce when *"Music Beyond the Chamber"* is on the schedule! **Jessica Tong**, violin, is the artistic director for the group and she will be telling a bit more about their organization at the concert. They send different professional chamber musicians each time, so you never know what performers to expect. This organization's mission is to educate others as well as entertain, so you might find them in local schools, performing exciting classical music for youngsters or performing alongside other classical music students at high schools. They are a nonprofit corporation. Join us on **Thursday, Jan. 23, at 7:30 p.m.** for a concert you won't soon forget!

The **Piatigorsky Foundation** sends us fantastic musicians, and **classical guitarist Jack Sanders** should be no exception! Join us on **Saturday, Jan. 18, at 7:30 p.m.** to hear this gentleman perform! He has performed all over the U.S. and the world. You'll hear music from all periods tonight—not just older, classical tunes.

### Wellness News~

#### Bay Village Roadwalker Team

Get off to a good start in the new year and join the Bay Village Roadwalker Team as we conquer the 1 Mile Walk along the Bayfront, participating in the Ringling Bridge Run, a fundraising event for the Sarasota YMCA. We really had a great time at this event last year, so I hope to see a large turnout this year. There are plenty of benches along the route, by the way! We will register in the "best dressed team" category. Get your sneakers out and get moving for a good cause and a great representation from Bay Village. Petra and Kris will be your team leaders and support you to the finish line!!!

In 2014, make fitness one of your priorities. Pick a new activity that you would like to try and go for it.

During the next year, we have some surprises for you and hope to spark your interest.

### B.I.L.L. Series News

Beginning on Jan. 7, we will show the remaining lectures in the DVD series, *"Before 1776: Life in the American Colonies."*

Also beginning this month is our next *"How Novel"* series with Alice Blueglass. We still have room in that class, but space is limited, so if you would like to participate, sign up soon! Alice has chosen another great series of books, which were listed on the flyer you received about this in January. The first class is on Jan. 21, and we meet in the board room.

### "IN STRIDE" Equine Therapy Presentation

We are excited to bring a representative (no, probably not an actual horse) from "In Stride Therapy" to Bay Village. This organization provides equine assisted therapy to individuals with physical and other disabilities.

Come and learn more about this fascinating subject and this worthy organization!

## “Village Vibes”

### **MORE Music!**

To start January off on the right foot, we have invited fun pianist Paul Golden back, who could be described as a “more Broadway and jazz, less classical” pianist. Good news for those of you who enjoy that type of concert! Paul likes to get everyone’s hands clapping and toes tapping. Paul has been here a number of times and he is certainly looking forward to performing for you again! The concert starts at 7:30 p.m. on Thursday, Jan. 2.

### **Monthly Celebrations**

Cozy up this month with your favorite flavor for National Hot Tea Month. Think of helping others, as this is National Mentoring Month, National Poverty in America Awareness Month and National Volunteer Blood Donor Month.

### **RAINBOWS AND SHOWERS**

RAINBOWS for the recent food drive we had for All Faith’s Food Bank! We collected almost 900 pounds of food! Great job, everyone, and thank you!

RAINBOWS for the Christmas decorations! Everything looked so beautiful this year! It really got everyone into the Christmas spirit! A HUGE, COLORFUL RAINBOW goes out to Leesa Rencdeczky for her efforts coordinating that overwhelming project!

SHOWERS for the folks who give our mail sorters a tough time. 99.9% of the time, when the mail is later than usual, it’s out of Bay Village’s control.

We “rainbow” your anticipated patience with this issue, now that the mail is being delivered later.

RAINBOWS for “The St. Petersburg Trio.” What a wonderfully talented group! They played several familiar tunes as well as some more unfamiliar Russian folk pieces. Yes, we’ll have them back next time they are in town.

RAINBOWS for the volunteers who we

KNOW will be turning in their final volunteer hours for 2013 in the coming weeks!

RAINBOWS for the over-the-top generosity of our residents who donated more than \$220,000 to this year’s Staff Christmas Fund. Boy, there were a LOT of smiling faces at the staff holiday party this year!

RAINBOWS for the HELP that the resident services department received with the decorations this year from our other department directors and their staff! Many hands make light work, that’s for sure!

### **GIFT SHOP**

We thank you wonderful residents who did some of your holiday shopping in our fabulous gift shop. We are sorry we were unable to serve those who ordered amaryllis. Our supplier tried, but just couldn’t get us the flowers. Hopefully we can for next year. We look forward to serving you with our spring merchandise very soon!

... Jane Pyle

### **Movie Musical Month**

Since our theme this month involves GREAT MUSIC, we will show all musical movies. Not only that, but each will star the incomparable Julie Andrews. We will also head out to the movies and lunch this month as “Saving Mr. Banks” is playing. This movie, which stars Tom Hanks as Walt Disney and Emma Thompson as P.L. Tavers, the author of the book, tells the story of how the book “Mary Poppins” was made into the movie.

We’ll start the month showing “Mary Poppins” (Julie Andrews won the Oscar for Best Actress for this film), and then we’ll continue our theme with the timeless “The Sound of Music.” It wouldn’t be Julie Andrews movie month without showing “Thoroughly Modern Millie,” so that will be next, followed by the hilarious “Enchanted,” which is a fantastic movie that pokes fun at Disney movies. Julie Andrews NARRATES the animated portions of this film, by the way; she doesn’t have an actual role. Have fun, everyone!

## The Village Vibes

### BOOK GROUP MEETING

The Bay Village Book Group will meet Friday, Jan. 10, at 10 a.m. in the auditorium. There will be a panel discussion and review of the novel "And the Mountains Echoed" by Khaled Hosseini. If you have read the book, great, but if not, come anyway to hear a lively discussion of the powerful and unforgettable book.

ALL ARE WELCOME!

### GOOD NEWS!

We thought we'd share the fact with you that when Fire Marshal John Reed and Fire Safety Inspector Katelyn Qualey were here speaking to the Men's Breakfast group, they had nothing but good things to say about Bay Village! They said we have excellent equipment and practices for detecting smoke and fire, for sounding alarms and for quenching the fires. Great!

By the time you read this, 2013 will be part of our past. We will have flipped the page on the calendar to a brand-new year: 2014. Oh, how we wish it were that easy to flip a switch and be presented with a brand-new world.

Unfortunately, much of the brokenness of 2013 will be carried forward to 2014:

--we still seem to be void of the commitment to use our privilege as the world's wealthiest nation to nurture others in developing their own wealth;

--we still seem to place our security in possessing the world's most powerful military, which seems mainly to kill our young men and women; exterminate thousands of innocents in other lands; and condemn tens of thousands to live in the squalor of refugee camps.

--we still seem to condone the world's greatest democracy, supposedly dedicated to "OF the people, and FOR the people," to be consumed by partisan squabbling, selfishness, turf protection, and arrogance.

Perhaps it is past time we stop making empty New Year's resolutions about weight, exercise and chocolate. Perhaps there is no better time than this very moment to make deep and personal commitments to live by values dedicated to:

--offering others the same grace God Almighty offers us;

--working for ANYONE who is denied justice anywhere;

--seeing everyone whom we encounter as a child of God.

*Only in this way will we do our part to help 2014 be a significant step toward God's Peaceable Kingdom.*
