JIMMY MAZZ RETURNS!

On Thursday, June 5, at 7:30 p.m., we are thrilled to welcome Jimmy Mazz to the Bay Village stage! He brought the house down last summer with his "Las Vegas Legends" show—receiving a standing ovation. This year he will present "Cruisin' Through the '50s" for us.

You are invited to join Jimmy as he takes you on a musical ride through the entire decade ... re-living the great music of the '50s. Beautiful crooner ballads to bobby sox tunes and the black leather jackets of the birth of Rock 'n Roll. You'll hear great artists like Patti Page, Dean Martin, Tony Bennett, Bobby Darin, Sam Cooke, Jerry Lee Lewis and Patsy Cline.

With over 30 years of entertainment experience, Jimmy is a true professional who really knows how to entertain an audience! If you are planning on joining us this evening, arrive early for the best seats! Have fun "Cruisin' Through the '50s," everyone!

During the months of May and June, the following staff members graduated:

Aleanne Sosa, Megan McBride, Carlos Rodriguez, Abraham Rodriguez, Torayba Mezroub, Laura Rincon, Juan Rincon and Adam Milner.

Be sure to congratulate these graduates as you see them in the Dining Room. Some will attend college locally and will continue to be with us, while others will be attending college out of town.

RAINBOWS AND SHOWERS

RAINBOWS for Evelyn Ruda! She is officially "retiring" from the Art Committee after years of coming up with some creative and clever ideas for the Art Gallery in the game room! Thanks again,

Mrs. Ruda!

RAINBOWS for Josi Madigan! We'd like to thank you for playing so beautifully in the dining room.

"Hurrah" for Josi!

RAINBOWS for our MAIL ROOM VOLUNTEERS! By the way, this "club" is not "exclusive!!" We'd LOVE TO HAVE YOU in it! Stop by and see Jeanie in the mail room if you'd like to volunteer.

RAINBOWS for our SPORTS themed Volunteer Luncheon!!

RAINBOWS for "My Three Sons!" Another fantastic performance was enjoyed by their usual HUGE Bay Village audience!

Special Presentation!

Join us on Thursday, June 19, at 10:30 a.m. in the auditorium as local author Eloise Hanner presents her latest book, "Posted in Paraguay." In their late 40s, Eloise and Chuck Hanner decided they wanted to do something new and challenging for the second half of their lives. To the amazement of their friends and family, they walked away from their stock brokerage careers and joined the Peace Corps, again. 25 years before, they had gone to Afghanistan as volunteers and loved it. Come and hear their story as told by Eloise. She will have copies of the book today!

B.I.L.L. Series News

Currently, from Sarasota Adult & Community Education (ACE), Dave Tschanz is teaching *"Disease and Civilization"* on Mondays at 10:30 a.m. in the auditorium.

This course examines the role played by disease in the shaping of human civilization. Emphasis will be on the impact on populations rather than individuals. The final class in this series meets on June 16. This summer Mr. Tschanz will teach *"The Crusades."* A description of that class as well as dates and times will be given when we get closer to its start date.

Our current DVD series from the Teaching Company is titled *"The World's Greatest Geological Wonders."* This is taught by *Professor of Earth and Planetary Sciences at Washington University, Dr. Michael Wysession*, who will introduce you to the Earth's most outstanding geological destinations. Classes are at the usual B.I.L.L. time, 7:30 p.m. every Tuesday night!

Happy learning, everyone!

"THE VOCAL VIXENS" Present: "Paris in the Springtime"

Everyone loved this trio last year! We are SO HAPPY they were able to fit us into their schedule again!

"Paris in the Springtime" features fascinating and fun French-themed selections from Edith, Ella and Eartha and other popular artists. You'll be transported to the Moulin Rouge saying "C'est Magnifique" and "Oooh La La" before the night is over!

Bob Constantino is your accompanist and arranger for this show and is a familiar sight at Bay Village. His usual vocal partner, **Lyn Purmort**, will be with him this evening and they will again be joined by **Kathryn Parks** and **Hannah Jae**.

Ms. Parks has performed all around Florida and especially locally. You probably saw her in one of her many performances at Venice Theater or the Manatee and Sarasota Players. She has also performed at Florida

Studio Theater and the Asolo. Ms. Jae really brought the house down last year when everyone found out how old she is! Considered a "vocal prodigy," she has won numerous competitions and has a truly natural musical ability, which also includes writing her own songs and music. We are really looking forward to a fantastic performance by "The Vocal Vixens!" See you on **Thursday, June 12, at 7:30 p.m.**

THE BOOK SHELF

"The Garden of the Evening Mists" by Tan Twan Eng.

Yun Ling, a wealthy young teenager, is captured by the Japanese along with her sister and taken to a secret encampment.

Her sister is taken away to be of service to the guards and eventually dies but Yun Ling escapes. She wants to build a garden to honor her sister. Her encounter with a Japanese gardener is a large part of this book. She has a difficult time because of her hatred for the Japanese but eventually does

become an assistant to the gardener. Her experience in the camp permeates her feelings throughout her life. As she ages, she suffers from memory loss.

This book has many references to Malaysian language, mysteries of gardening, relationships and tattoos ... Martha Bonham

WELLNESS CORNER ...

By Petra Mueller

On June 14, anybody is welcome to walk the Ringling Bridge with Petra and then have breakfast at the Holiday Inn on Lido Key overlooking the beach. If the walk is too much of a challenge for you, please feel free to come with us and enjoy the park by Bird Key until the walkers come over the bridge.

The exercise program is in full swing here during the summer. Pick your classes and make sure you participate in the well-rounded program. I offer something for every level on land and in the water—standing and seated exercises, dancing, slow moving Tai Chi and Hand Exercises for arthritic hands.

If you need personal assistance, stop by my desk where I am always available. Remember, anything you do is better than doing nothing or thinking about doing something. You will feel energized and more limber after class and maintain your strength

for a fulfilled life here at Bay Village.

Rev. Dr. Chuck Moffett

"Look - Up in the sky - It's a bird - It's a plane - It's SUPERMAN!" Many of you readers will remember that mantra as we anticipated the next episode of the "Man of Steel" doing battle with the forces of evil in the whole world. Of course, he always was the victor—even if temporarily immobilized by his nemesis: Kryptonite—and sometimes even in spite of Lois Lane.

Recently I saw a YouTube video entitled "**LOOK UP!**" The screen was flooded with images of young people engrossed with their cell phones, even when surrounded by their friends; middle-age business people so tied to their cell phones they ignored real people standing in front of them; an elderly person huddled in the corner of their apartment trying desperately to contact a family member in or out of town. No personal interaction! I heard a business man say proudly, "I conduct my whole business on my cell phone—I never look up at other screens or at people." While I do raise a deep concern that our reliance on technological devices is eroding our ability to have personal interaction, that is a subject for a different column.

For right now I raise this issue on the level of our basic orientation. How often do we "look up" beyond ourselves to encounter others—to encounter God? In the life of faith, prayer is the means by which we "look up" to broaden our vision. Prayer is not a way to change the mind or action of God. It is the way to change our orientation beyond "me and mine" to be in touch with the Holy in our lives. Also, as we pray for others, we expand our orientation to offer care for others. Let us "**LOOK UP**" beyond ourselves. There, we will see more than Superman—we will encounter a God who always is with us—beyond Kryptonite—even to a Cross!
