## August 2014

### A Century of Julia Child

Julia Child was born on Aug. 15, 1912, in Pasadena, Calif. Before becoming an authority on French food, she worked for the Office of Strategic Services during World War II, where she met her future husband, Paul Child.

The couple moved to Paris in 1948. Looking for a hobby to fill her spare time, Julia took cooking lessons at the world-renowned Le Cordon Bleu. A chance meeting with two Frenchwomen writing a book about French cooking for American housewives led to Julia's involvement in creating one of the greatest cookbooks ever, "Mastering the Art of French Cooking."

The book's success fostered Julia's television show, "The French Chef." With her trademark buoyancy, distinctive voice and love of fine food, Julia warmed the hearts of every American who loves cooking. She passed away on Aug. 13, 2004, but her legacy will live forever. *Bon appétit!*

We will show the wonderful film, "Julie and Julia" starring Meryl Streep, who was nominated for an Oscar for her portrayal of Mrs. Child, on Aug. 23 at 7:30 p.m. in the auditorium.

ANN SNELGROVE is also celebrating a century this month! This special lady celebrates her 100th birthday on Aug. 1! Join us at 2 p.m. for some cake and music in the Health Center and wish Ann well!

### The Portrait Project

Fifteen local veterans were selected for Senior Friendship Center's *"Legacy of Valor Portrait Project."* We nominated Don Amick and he was chosen! Local artist Malenda Trick painted each veteran's military photograph. She created the project because she saw firsthand how veterans return to communities to become great leaders but are often not recognized for their military service. The paintings were displayed throughout our area after they were revealed at the unveiling on Veterans Day of 2013. On June 20, Mr. Amick was presented with his painting at a special ceremony along with the other 14 veterans in the project.

### THANK YOU TO ALL

To: All contributors to "Grass Roots For the Troops!"

FROM: Ethel "O," Coordinator

SUBJECT: Beanie Babes, wristlets, ditty bags, pillows, shipping money donations, etc.

I started this project nearly four years ago and it is now slowly running down.

Gerri, our shipping gal, has retired with no replacement. She is no longer driving, but is being driven to Veteran's Hospital in Tampa by her daughter.

As of now, finish up what yarn you have and if you run short, call me in 3114, as I have quite a bit of fall colors to use up. Thank you all for your great participation in this wonderful project.

*"Crafts, Coffee and Conservation"* will still meet every Monday at 10 a.m.! Bring your hobby ... knitting, crochet, embroidery or anything else. We all enjoy a cup of coffee, talking and comparing projects.

See you next Monday!

### WELLNESS CORNER

#### By Petra Mueller

In August, I have invited two speakers to talk about health-related issues that are interesting to everybody.

On Aug. 19 at 3 p.m., Dr. Nalu will speak about untreated hearing loss, the effects on physical cognitive and social well-being.

Dr. Arne, a cardiologist in Sarasota, will talk about heart health and wellness on Aug. 21 at 2 p.m. Also, I'm putting our low-impact pool class back on the calendar, so I hope you will join me every Thursday (except the 21st) at 2 p.m. out at the pool for a relaxing and gentle workout that is still effective!

### JEWELRY & WATCH REPAIR

On Friday, Aug. 15, Barbara Grove, *"The Jewelry Lady,"* will be here with her husband, who replaces watch batteries. She has extremely affordable costume jewelry for sale, including magnetic clasp necklaces. Each piece is only \$8!! She will give a portion of the proceeds from this sale to our endowment fund. They take cash, checks AND credit cards and will be in the lobby between the hours of noon and 4 p.m.

Local artist Malenda Trick with Don Amick and his portrait.

## Returning Favorites in AUGUST!!

We are happy to welcome back two returning "Bay Village Favorite" performers in August!

On Aug. 21 at 7:30 p.m., join Karen and Chris Romig, who have an international evening prepared for you! They will be joined by Zachary Johnson, guitar, John Miller, string bass, and Bruce Lehman, percussion. You will hear South American as well as European pieces tonight. Some familiar, some not so familiar! Do not miss this concert, folks!

On Thursday, Aug. 28, at 7:30 p.m. join returning favorite "The Presidents and Their First Ladies, Dramatically Speaking" as they present "The Roosevelts: Franklin & Eleanor." If you have never seen Bill & Sue Wills in one of their Presidential portrayals, this is a must-see event! Bill and Sue have been here more than a dozen times and everyone is both educated and entertained with their presentations.

Come and meet the Roosevelts!

## B.I.L.L. Series News

This fall, Dr. David Tschanz will teach "The Crusades." A description of that class as well as dates and times will be given when we get closer to its start date. This is a class from Adult & Community Education.

On Tuesday, Aug. 5, at 7:30 p.m., we welcome back popular speaker Tom Callaghan, who will present his knowledge of the planning and construction of one of a true, man-made modern marvel, The Panama Canal.

Our next DVD series from the Teaching Company is titled "Museum Masterpieces: The Louvre." This is taught by Professor Richard Brettell from The University of Texas, Dallas.

The name "Louvre" is instantly recognized as the most famous art museum in the world. Its collections number in the millions. Visitors are often overwhelmed by the seemingly endless works of art. This course is actually a study guide for anyone

planning a visit, so they use their time wisely and a trip down memory lane for those who have been. We showed this course about five years ago and everyone thought it was fantastic, so we thought it deserved repeating! Classes are at the usual B.I.L.L. time, 7:30 p.m. every Tuesday night beginning Aug. 12 for six weeks. Happy learning, everyone!

## Batter Up!

The Little League Baseball World Series is held in August. The league was founded in 1939 in Williamsport, Pa.

### The DOG DAYS of SUMMER Movie Fest!

Especially true here in Florida, summer can really be sticky, humid and hot. Let's stay inside and watch movies this August!

Each film features DOGS. Check your calendar and your floor bulletin board for titles and instead of showing the same movie on both Sunday night and Wednesday afternoon, we will feature a different movie classic on each day, so we have a total of nine dog movies to warm your heart. Some funny, some adventurous, and of course, a few tear-jerkers. A reminder: after we show all the movies at Bay Village, they go to the library soon after showing. So, if you miss a movie, you can easily borrow it .

### RAINBOWS AND SHOWERS

RAINBOWS for William and Anna Crane for their donation of a wonderful Smartview electronic reading machine to the Bay Village library! We're certain it will be put to good use! Mr. & Mrs. Crane also donated an upright piano, which will be kept on the 10th floor core area.

Thanks to the Cranes!

RAINBOWS for the jazzy patriotic music program that Mike Markaverich gave on Independence Day!

RAINBOWS for people who RETURN THE SHOPPING CARTS to their proper place and in a timely manner.

RAINBOWS for the fantastic program about artist Georgia O'Keeffe put on by actress Jenny Aldrich! Yes, we'll invite her back!

SHOWERS for those who talk out loud during meetings and other presentations. It's very distracting to those who are trying to pay attention to the speaker.

RAINBOWS for Petra's Master Class participants! Way to go, everyone, and

special thanks to Petra for organizing it.

RAINBOWS for Bob Griffith's series on the American Composer! Everyone really enjoyed that! He'll be back in December to present: "A Child's Christmas in Wales."

### THE BOOK SHELF

#### Cavendon Hall by Barbara Taylor Bradford

For anyone who enjoys the intrigues of "Upstairs Downstairs," Cavendon Hall is a treat! Set in Edwardian England, Cavendon Hall is home to the aristocratic Inghams and the Swanns who serve them just as their ancestors did over the centuries, taking the vow, "Loyalty Binds Me." With World War I looming on the horizon, both families will find their loyalties challenged and betrayals set in motion when devastating events change their lives. All the characters are limned exquisitely and come to life: Charles Ingham, the Sixth Earl of Mowbray, lives there with his wife, Felicity, and their six children. Walter Swann, the head of the Swann family, is valet to the earl. His wife, Alice, a seamstress, is in charge of the countess' wardrobe. Their lives and the lives of their children will never be the same.

### Book Signing With Candace Carson

Join local children's book author (daughter of Bay Village resident Wren McCargue) Candace Carson on Thursday, Aug. 7, at 2:30 p.m. in the auditorium for a book signing event.

Her beautifully illustrated children's books are absolutely stunning, and since she has a degree in psychology (and art), they deal with issues like self-esteem and confidence. She also has books for toddler-aged children that teach shape, size and color. The stars of her books are Sigi and Lulu (her schnauzers!) and some take place in the Middle East, as she is fond of travelling to this little-visited area of the world. She and Mrs. McCargue visited Abu Dhabi last year, which was very inspirational, so she will talk about that trip as well. Refreshments will be served!

*"The DIFFICULT we do immediately.  
The IMPOSSIBLE takes a little longer."*

While this motto was well-known to U.S. military in WWII, it originally was offered by Charles Alexandre de Colonne (1734-1802), Minister of Finance under King Louis XVI. It also is the inscription on the memorial to the "Seabees" (U.S. Navy Construction Battalion=CB) on the Memorial Bridge at Arlington Cemetery. With great pride, we remember and commend those who live, and those who died, by that motto. But that was for THEM. What about that motto for today ... for you and me? How often do we say, "Sorry, too difficult" or "Are you kidding? That idea is impossible!"

From a very unexpected source comes a movement which can change the culture of our world from the **impossible** to the **possible** ... to living with a "*can do!*" attitude. Lily Cole, British actress, super model and brand ambassador, has developed an Internet website: "*impossible.com.*" Lily wants to strike the "*IM*" from the word "impossible." She is dedicated to a mission of putting people in touch with each other to make what seems "impossible" become "possible." Some examples already accomplished are:

- a man wanting to speak better English is being helped
- a woman is offering free phone advice on growing roses
- a sister received help to get her brother to the doctor
- a person is offering free assistance on tax returns.

Check out "*impossible.com.*" How can each of us find little ways to change *impossible* to *possible*? Scripture reminds us, "*I can do ALL things through Christ who strengthens me!*"
