Bay Village is excited to bring you DIVAS ON BROADWAY!

Broadway. A street in New York City. A place where dreams are born and stars are made. Some of the greatest Broadway stars of all time are the "Divas on Broadway," Jennifer Holiday, Ethel Merman, Shirley MacLaine, Chita Rivera, Betty Buckley, Elaine Page and Mary Martin. These legendary ladies were the bulbs that lit the Great White Way.

It has been said in musical theater when emotion becomes too strong for speech, you sing; and when singing becomes too strong, you dance. These ladies do all three ... in heels! You are in for a treat tonight, everyone!

We are expecting a packed house tonight! Arrive early to get the best seats on

Thursday, March 19, at 7:30 p.m. in the auditorium.

WELLNESS CORNER By Petra Mueller

Our "Walk around Florida" starts this month. Get ready to record your activities and participation in programs. We are starting our walk right here in Sarasota and you will have many chances to earn points/miles over the next couple of month.

The first lecture is on **March 3 at 10:30 a.m. by Jeffrey Lahurd**. He is a well-known historian in Sarasota and will talk about the landing of the Scot Colony in 1885 through the Real Estate Boom in 1920.

On **March 7 at 10 a.m.**, you have a chance to walk the **Ringling Bridge** and score points.

A free tour of the **Phillippi Creek Mansion** followed by lunch is on the schedule for **March 18**.

Dr. John Moor, an orthopedic surgeon, will give a Wellness Lecture about "state-of-the-art knee, shoulder and hip care" on **March 31 at 2 p.m.** Come with your questions and listen and learn.

The Florida Civil War in Song & Story

Join us on Thursday, March 5, at 7:30 p.m. as we welcome back *The American Troubadour*, **Bill Schustik** as well as author **Gene Jones** as they present this

educational as well as entertaining program about our state and its role during the Civil War Era. Floridians had divided loyalties among its population at that time.

Mr. Jones has written a book, "Suwanee Divide," which tells of this little known history. He is a fifth-generation Floridian with an abiding appreciation for Florida's unique environment and diverse people. His ancestors fought for both sides during the Civil War and were early Florida settlers who fished, farmed and traded with Cuban fishermen along Florida's West Coast.

Mr. Schustik has traveled throughout America, gathering songs and sowing legends. The roots of his trade include his magnificent baritone voice, a keen sense of drama, a colorful array of folk instruments and a deep abiding love for traditional American lore.

We hope you enjoy this unique evening!

B.I.L.L. Series News

Our current DVD series from the Teaching Company is "The American Revolution." This is taught by Professor Allen C. Guelzo. Has there ever been a more unlikely war than the Revolution that won America its independence? Why did thirteen colonies, with nothing resembling a unified and trained Army and no Navy to speak of, believe that they could defeat the most powerful nation on the planet? Join us for this fascinating series and find out! The final class in this series is

April 28.

Thanks to everyone who attended and hopefully enjoyed our recently completed classes from Adult & Community Education. "How Novel," "Islamic Studies," "Current Affairs" & "The IPAD for Beginners & Advanced." In the fall, we will let you know what classes we will offer from this organization that we are fortunate to have such a great relationship with!

Facts From Jack

Every year, Bay Village monitors its staff turnover. Our experience over the years has been most positive.

Below is a summary:

2014~ 16.36%

2013~ 17.65%

2012 ~ 7.88%

2011~ 15.45%

2010~ 10.20%

If uncontrolled departures for such reasons as relocation out of the area, retirement and medical incapacity were not counted, this number would be reduced another 3%-4%.

If there is any message in this narrative, it could be that Bay Village turnover rate is pretty good and continues to be, historically.

Turnover in CCRC's can average nationwide upward of 40%.

Similarly, in free-standing nursing homes, it can be as high as 100% annually.

Best Regards~Jack McClellan

Team Salute

From the Dining Services Director

Did you know that March 7 is "Bay Village Dining Services Appreciation Day"? Back in 2002, after the completion of the kitchen renovation, the Bay Village Board of Directors decreed March 7 as Dining Services Appreciation Day.

This was done in recognition for the staff's efforts during the main kitchen renovation. The staff prepared meals in a temporary kitchen at the back of the building and did not miss a beat during the five-month project.

As you go about your day on Saturday, March 7, please recognize the Dining Services staff for their efforts. I know they will appreciate it.

GIFT SHOP NEWS

Thank you for helping us have a very successful Valentine’s Day. Our cards, candy and lovely merchandise were eagerly bought by both Bay Village residents and guests. Now, we are getting ready for Easter with many new items for you to purchase. Please stop in and take a look. We welcome browsers. Some of our very capable shop workers have offered to give a “scarf demonstration” where they will show us the many ways we can wear a decorative scarf and how to do it elegantly. Buy a scarf in the Gift Shop or bring one of your own scarves and come to the demonstration at 10:30 a.m. on March 16 in the game room, across from the new craft room. Our demonstrator will show you how to arrange it.

The Language of Bridge

Jackie Rollerson, Life Master and Certified ACBL Bridge Teacher will begin teaching bridge starting on Thursday, March 5, from 2 to 4 p.m. in the Game Room.

Classes are suitable for experienced players who want to take their bridge to the next level. Each lesson will focus on a particular aspect of bridge, Bidding (the cornerstone of good bridge), Play of the Hand, Defense and Common Conventions. Each topic will consist of four weeks of lessons. You will learn by playing and discussing hands that will focus on the subject of each lesson. There will be handouts. Enrollment will be limited. If you have a regular partner, you are encouraged to attend together so that you will both be speaking the same language—the Language of Bridge.

For more information, or if you missed the informational meeting on Feb. 26, call Jackie Rollerson in apartment 1260.

Peter Saloman in Concert

Peter Saloman, a new performer to Bay Village, will sing for you on Thursday, March 12, at 7:30 p.m. in the auditorium. We hope everyone takes the time to attend this concert, as this is Peter’s first time performing at Bay Village!

With more than 30 years of musical experience under his belt, Peter has performed with Dion and The Belmonts, Chuck Berry and the Drifters, both in person and on the album “Live at Madison Square Garden.” He has toured with the Shirelles, The Charlie Daniels Band and the Marshall Tucker Band and numerous other recording acts. Peter also appeared on the Merv Griffin Show.

At home in New York, Peter leads his own orchestra and performs at the finest country clubs in the tri-state area.

During the month of March, we will hold a few raffles to raise money for this organization. It would be nice to raise at least \$300 for them this year, so let's make that the goal! Look for the mailbox fliers regarding what we will be raffling! Thanks for supporting a great cause, everyone!

NUANCE Returns!

Back by popular demand, the Nuance Duo will perform the show "George and Ira" on Thursday, March 26, at 7:30 p.m.! If you did not attend their previous performances, it's "edutainment" at its finest! Dan Wascoe, piano, and Baibe Vengers, vocals, really do a nice job of teaching you about the composers whose music they perform with a power point presentation mixed in with the music. We hope you will join us for a little Gershwin!

Chaplain's Corner

Rev. Dr. Chuck Moffett

Paula Span writes a NY Times blog, "Caring and Coping." A recent blog begins, *"You may have noticed the discreet way in which nursing homes and assisted living places acknowledge a resident's death: a bud vase on the mantle or at the reception desk. A single rose. A card announcing the deceased's name."*

While Bay Village is not a nursing home, we know that scene all too well. For the vast majority of care facilities, it seems as if the "rose in the bud" is the end. There is no opportunity for a public sharing of remembrances, stories, grief and hope. Who knows better than people in their 80s and 90s that death is a part of this phase of life?" To not offer a time to talk about the reality of a resident's death runs counter to every tenet of good mental health. As Paula says, *"...how troubling it is when someone who's had dinner with the same people for months or years, and suddenly disappears, and nobody explains or says anything much at all."* Paula quotes a resident of another care facility, *"I've heard people talk about 'my value, my place in this community. Am I going to be reduced to a bud vase? Will I not be remembered? Do I not matter?"*

Here at Bay Village, there is significance beyond the bud vase. At the time of the death of one of our residents, the family is offered and encourage to have Memorial Service or gathering here in our facilities. If that is their choice, our staff works in a very personal way to celebrate the life and resurrection of their loved one. Following these times, many family members express deep appreciation for the support they felt by the attendance of our Bay Village residents. The message conveyed and received is that their loved one was remembered, not only by a bud vase, but truly mattered ... and was remembered personally. May each of us do our part to continue and enlarge this legacy of caring in these important times in the life our Bay Village family.
