Our Mission Statement

Established on Christian principles,
 Bay Village of Sarasota, Inc.
 offers a dynamic, secure and comprehensive
 residency for older adults, providing meaningful
 community life with continuing care.

Remembering the Fallen on Memorial Day

In 1868, three years after the Civil War ended, Maj. Gen. John A. Logan, leader of a Union veterans' organization, established Decoration Day as a time for the nation to decorate the graves of soldiers who had died in the war. He chose May 30, possibly because he knew flowers would be in bloom all over the country on that day.

Logan's declaration, in part, said: "We should guard their graves with sacred vigilance. ... Let pleasant paths invite the coming and going of reverent visitors and fond mourners. Let no neglect, no ravages of time, testify to the present or to the coming generations that we have forgotten as a people the cost of a free and undivided republic."

Arlington National Cemetery was the site of the first official observance, attended by Washington dignitaries as well as the public. After the speeches, children from the Soldiers' and Sailors' Orphan Home and Union veterans walked through the cemetery, placing flowers on both Union and Confederate graves.

In 1971, Congress declared Memorial Day a national holiday that would be celebrated on the last Monday in May.

Since 2000, Americans have been encouraged to observe a National Moment of Remembrance by pausing at 3 p.m. local time on Memorial Day for a minute of silence to honor those who have died serving the nation.

At Bay Village we will hold our annual *Memorial Day Ceremony at 11 a.m. on May 25* in the auditorium. We hope to see you there!

We hope to have a jewelry demonstration in the late summer or early fall. Watch the "Vibes" for time and place.

WELLNESS CORNER By Petra Mueller

Our "Walk around Florida" continues through the month of May. In May we have a change in the schedule for the first 3 weeks, so please pay attention to that. Mariann Vento, who has been here before, will be back to teach Strength Classes and Balance and Posture Classes on Mondays, Wednesdays and Fridays. Linda Bruno will teach a longer version of Splash during the usual time on Tuesdays, Thursdays and Saturdays. Linda is a teacher at the YMCA with a lot of experience.

It is proven that moderate exercise improves your health, balance and overall wellbeing. Our beautiful grounds invite you to a walk or stroll and the water in the pool is at a perfect temperature right now to swim, water walk or exercise.

Continue to keep track of your physical activities, as well as lectures and outings for the Walk around Florida.

Keep active; it will enhance your life!!!

SARASOTA MANDOLIN ORCHESTRA PERFORMS

On Saturday, May 2, we welcome back the Sarasota Mandolin Orchestra. The Orchestra brightens Sarasota and its regional area with marvelous performances to enthusiastic crowds of mandolin and music aficionados. Under the direction of Maestro Joseph Spinella, the Sarasota Mandolin Orchestra shares inspiring music of the past and present. You will especially enjoy the Italian favorites that include the rich tenor voice of Mr. Spinella who is also an accomplished opera singer. He graduated from the prestigious Manhattan School of Music.

This matinee concert begins at 3 p.m. in the auditorium. We will see you there!!

DO YOU ENJOY LEARNING? Then Join Us for Our B.I.L.L. Programs!

Did you know that B.I.L.L. stands for "Bay Village Institute of Lifelong Learning?" We began the B.I.L.L. series about 15 years ago to meet the needs of the folks at Bay Village who enjoy learning new things and keeping their brains active! We hope to see some new folks at our programs!

Our next DVD series from the Teaching Company is "Experiencing America~ A Smithsonian Tour Through American History." This is taught by Dr. Richard Kurin. Dr. Kurin is the museum's Undersecretary for History, Art & Culture. His PhD is in Archeology. This is a lecture tour of some of the most stunning exhibits at this tremendous museum. The course is arranged thematically rather than chronologically. It begins with an artifact few Americans are completely familiar with: The original

Star-Spangled Banner. This 12-week class begins on May 5. One evening this month will be interrupted with a "live" presentation on May 26.

John Patti will present: "The History of the Steel Drum" as well as entertain! John has performed here a number of times, but he hasn't done this educational presentation in a number of years, so if you missed it last time, be sure to attend! EVERYONE thought they knew everything there is to know about steel drums and John proved us wrong! The time is the usual B.I.L.L. time, 7:30 p.m. in our auditorium.

MAKE YOUR RESERVATION for the MEMORIAL DAY PICNIC by CALLING Ext. 2113

Our annual *Memorial Day Picnic* has three seatings to choose from: 12, 2 and 4 p.m. Following the picnic, we will show the movie *"Taking Chance"* in the auditorium at 7:30 p.m. This emotional tale stars Kevin Bacon as a volunteer military escort soldier who accompanies the body of a fallen 19-year-old marine Chance Phelps back to his family in Wyoming. This is a true story.

STRAZ CENTER for the PERFORMING ARTS

The Straz Center in Tampa has some fantastic shows booked in the coming year. We usually go to one or two shows per year but this year we are going to 5, starting with *"Mamma Mia" on June 24* (the deadline has already passed to sign up for this one).

On *October 21st* join us for *"A Gentleman's Guide To Love And Murder"*. Getting away with murder can be so much fun...and there's no better proof than this uproarious 2014 Tony Award Winner for Best Musical. On *November 11th*, we'll see *Disney's "NEWSIES"*. This was a tough ticket to get...as it the shows first time traveling.

It's based on the real-life Newsboy strike of 1899 and tells the story of Jack Kelly, a rebellious newsboy who dreams of leaving the big city and following his dream of being an artist.

The songs are by 8-time Grammy award winner Alan Menken and feature jaw-dropping choreography! On *Saturday, December 5th* we head

to the show that has everyone talking, *"KINKY BOOTS"*. Winner of SIX Tony awards in 2013, *Kinky Boots* tells the hilarious and quirky story of Charlie Price who inherits his father's show factory that is on the verge of bankruptcy who meets Lola, an entertainer. The unlikely pair discovers that when you change your mind about someone, you can change your whole world! 80's pop artist Cyndi Lauper wrote the music and became the first female artist to win a Tony award for her work! On *Wednesday, January 27th*, we are thrilled to say we've got seats for Disney's *"THE LION KING."* This show features the most amazing puppets you have ever seen, that blend in with the actors wearing them. You will truly be mesmerized by this show!

AND THEY'RE OFF!

It's Kentucky Derby time!! Join us in the auditorium on *Saturday, May 2nd* for our first *Kentucky Derby Party!* The fun starts at *5:30 p.m.!* We've got a traditional southern menu planned and besides watching the derby, we will play our own version of "The Horseracing Game" (bring a few \$\$\$\$ to place your bets) as well as prizes for the BEST HATS! See you there!

Movie News

We don't have any music programs on Thursday evenings this month, so we are going to show movies. We have movies at the beginning of the month that have women in the primary role (saluting our moms) and at the end of the month involving the military (saluting our veterans). We have 2 excellent movies this month that are true stories and received lots of Academy Award nominations/wins, so we hope you will join us for them, but this is a warning in advance that they are intense to watch. *"Unbroken"* (May 24th) and *"American Sniper"* (May 28th).

Our United States military thinks nothing of spending trillions of dollars (trillion = 12 zeroes) to develop technology that will allow our forces to move "under the radar." These undercover forces are crucial to the success of a mission.

Here at Bay Village we have our own "under the radar" persons who are crucial to the success of who we are as a community. These are the persons who enable us to live out our mission to be a community giving glory to God. These persons exhibit in their daily lives God's caring love for others, regardless of the "labels" we might wear!

Who are these "under the radar" persons? They are our **VOLUNTEERS!!!!**

We have more than 200 (over 50%) of our residents who donated **30,000** volunteer hours in the past 12 months to make sure each of us is cared for in a variety of ways. These are the volunteers who make certain we have services such as daily mail delivery, a rich menu of entertainment and educational events (on and off campus), communication fliers, library resources, worship services, guest tours for prospective residents, Gift Shop, Down Under, gardens, floor representatives, Health Center visitation and activities, Resident Council and committees. How rich and full our life is because of the selfless gift of these "under the radar" folk!

On Thursday, May 7, at 12:30 p.m., an appreciation luncheon will be held in the BV Dining Room as a gesture of thanks for the "TRILLIONS" of caring hours given by these dedicated servants of God.

THANKS BE TO GOD FOR OUR VOLUNTEERS!!!
