JIMMY MAZZ RETURNS!

One of Bay Village's favorite crooners, *Jimmy Mazz*, returns on June 25 at 7:30 p.m. in the auditorium. He will perform the show, "ENGELBERT & FRIENDS"!

Through his genuinely warm stage presence and charming delivery, this show focuses the audience participation feature of many of the songs by the great entertainer Engelbert Humperdink. Through hits like "Please Release Me," "Quando, Quando, Quando" and "After the Lovin'" you'll realize why Mr. Humperdink became such a popular singer.

Jimmy also features other great male vocalists in his show like Tom Jones, Perry Como and Paul Anka. If you don't have a smile on your face when you arrive, you are certain to have one when you leave!

For more, visit his website at www.jimmymazz.com

You may have read the recent article in the "Ticket" in the Herald Tribune about her and her company.

If you would like further information about Sari's background, as well as what type of program you can expect, you may visit her website at

WELLNESS CORNER By Petra Mueller

We are in the last month for the "Walk around Florida" and there are many possibilities offered to help you score more miles during this month.

On June 4 at 10 a.m., we have a Disney-themed Masterclass starting in the Auditorium and finishing in the pool, followed by refreshments on the pool deck. (Triple Points!!!) Come join Petra in your Disney outfit or Mickey hat to have fun and workout at the same time.

On June 13, Dr. Mark Walter will give a talk about "Advanced Orthopedic Stem Cell Therapy," a very interesting and controversial topic.

Dr. Caroline Chebli will be here to present "Women, Osteoporosis and Fragility Fractures" on June 16 at 2 p.m. This is not only geared to women!

The big party to celebrate the final stretch for the "Walk around Florida" will be on June 30 at 3 p.m. in the Auditorium.

Everybody is invited to that event! Even if you could not participate in the walk!

Our group had a great time at The Celery Fields and learned a lot from members of the Audubon Society!

Volunteer Corner

VOLUNTEERS NEEDED!!!

Our Health Center could really use some help at the sign-in desk! The hours are 4:30-6:30 p.m. Call Diana if you can help out. YES, we know this is during the dinner hours here at Bay Village, so if you want to just do half the shift that would be okay (either 4:30-5:30 OR 5:30-6:30). Call Diana at ext. 1807 if you can help! Thanks, everyone!

At Sea

World Oceans Day is celebrated on June 8.

The Village Vibes

Our current DVD series from the Teaching Company is "Experiencing America~ A Smithsonian Tour Through American History" This is taught by Dr. Richard Kurin. Dr. Kurin is the museum's Under Secretary for History, Art & Culture. His PhD is in Archeology. This is a lecture tour of some of the most stunning exhibits at this tremendous museum. The course is arranged thematically rather than chronologically. This 12-week class began on May 5 and will run through August 11.

We also have a summer "How Novel" Book Club scheduled on July 7 and 28. The books for this class will be on the flyer you receive in your mailbox. We are also planning another Jeopardy Game with Tom and Lorraine Callaghan! At press time we are pinning down the date, so look for the flyer in your mailbox in the coming weeks!

This Old Hat~

It's Patty Carver's first time here at Bay Village so I hope everyone saves the date! She will present: "This Old Hat: The Patriots of Liberty," on Monday, June 22, at 2:30 p.m. Historically correct, entertaining and fun, Patty's tour de force musical presentations have received fantastic reviews. Join us and learn about 4 great women from American History. You'll feel like you are with Betsy Ross as she sews the first flag and Deborah Sampson as she tells of her adventure after disguising herself as a man to fight in the Revolutionary War. Harriet Tubman and Amelia Earhart are included in this unique

presentation as well ... and all by the same performer!

JENNY ALDRICH PRESENTS: Mary Cassatt

It's interesting to note that we have two "educational and entertaining" presentations this month featuring great American women! Patty Carver presents important historical figures and Jenny Aldrich presents the great artist Mary Cassatt. Those of you who attended Jenny's "O'Keeffe" presentation last year will attest to how wonderful her programs are. On Thursday, June 18, at 7:30 p.m., Miss Cassatt will share with you the story behind her life and work, the ideas behind her paintings. She was the only American artist to exhibit with the French Impressionists. Known for her frankness and honesty, she describes her days as an artist in 19th century Europe, her relationship with Edger Degas and her struggle for acceptance as an American artist. Join us!

Bridge Lessons

We are very happy to announce that the Bridge lessons that we were planning a few months ago have been rescheduled!

Join Jackie Rollerson every Thursday at

2 p.m. in the auditorium beginning on June 4. She will

present a variety of topics with regard to proper bridge play and you don't have to sign up to attend - there will be a Q & A period following each lesson.

Please bring paper & something to write with to class in case you want to take notes.

We would like to sincerely thank Mrs. Rollerson for offering to do this for us! She loves the game and knows a lot of folks at Bay Village feel the same way!

Chaplain's Corner

Rev. Dr. Chuck Moffett

The word "RADICAL" has been hijacked today!

A very positive word has been made negative by our culture and media. It is time we recover, renew and recommit to being "RADICAL."

In Old Latin and Medieval English, "radical" means *basic and important - different from what is ordinary*.

Jim Bailiff is a name and a person well-known around Bay Village, having served as Chaplain from 2007-2011. Jim was my immediate predecessor and mentor. My respect for Jim is deep - especially as he now serves as a member of our Bay Village Board of Trustees.

Jim has written a manuscript, soon to be published, which captures the true essence of the meaning and power of "radical," especially as it applies to a specific area of our daily life = ANXIETY. Some degree of anxiety is part of life for each one of us. The book, Anxiety Yields to Faith, speaks to the assertion that, in addition to the commonly accepted remedies of physical and psychological therapies, there is an additional and integral therapy = A RADICAL TRUST IN GOD. When we fail to nurture the presence and power of faith in God, we deprive ourselves of a spiritual therapy needed to deal with our anxiety.

While I encourage and invite you to be on the watch for Jim's book, my main encouragement is for you to be on the watch for the RADICAL presence of God, with whom you can trust your deepest anxieties!!
