October 2015

Above and Beyond

Each year, Bay Village holds an elegant luncheon for those staff members who are celebrating the "Years of Service" milestones of 3, 5, 10, 15, 20, 25, 30, and 35 years of employment. There are 82 people invited to the luncheon this year! We also invite the 12 staff who were named "Employee of the Month" over the past 12 months, and the "Employee of the Year" is announced!

We have 82 staff members who are invited to the luncheon this year, and it will be held on Wednesday, Oct. 14, in the dining room, so no lunch will be served that day. The Poolside Cafe will be open!

Staff celebrating 15 years:

Jeannie Pack, Bruce Scott, Denise Wetmore, Dora White, May Hawkins, Jennifer Teal, Laura Pitcher, Pat Green, Bob Berwick, Ruth Beachy and Bill Seigh.

Staff celebrating 20 years are:

Beverly Deitrich, Mary Petz and Mike Schuler.

Staff Celebrating 25 years:

Karen Scott and Sigrid Johnson

Staff celebrating 30 years:

Terry Jones

We would like to again say a big THANK YOU to ALL staff members for the fantastic job they do!

APPLE Hints

Stacie Baptist talked her dad, Babe, into getting an iPad. She made this really helpful guide to what all the buttons and shortcuts do (Facetime, Calendar App, etc.). If you have an iPad you might want to pick up a copy of the guide in the game room. Thanks for sharing that, Stacie!

FLU SHOTS!

Bay Village will hold its annual flu shot clinic the morning of Tuesday, Oct. 6. The pneumonia vaccine will be available as well. Below is when each floor is scheduled to come to the auditorium.

Schedule:

Floors 3, 4 and 5-
9 a.m.

Floors 6, 7 and 8-
10 a.m.

Floors 9, 10, 11 and
12- 11 a.m.

Denis and John Perform!

That's right folks, Bay Village's own Renaissance Man, Denis O'Connor will perform for you on Thursday, Oct. 22, in the auditorium at 7:30 p.m.

He is joined tonight by longtime friend and guitarist John McEwen and you'll enjoy folk tunes and other Irish favorites. Denis only performs for us every couple of years, so if you've never been to a concert, you'll want to save the date!! Denis and John usually pack the house as well, so arrive early for the best seats!

Did He, or Not?

On Oct. 1, 1932, Babe Ruth reportedly "called his shot" during the third game of the Cubs vs. Yankees World Series. Stories vary regarding whether he really pointed to center field before hitting the home run.

Just Yell BINGO!

We'd like to remind everyone about the fun we have every Wednesday at BINGO. Just show up a little before 7:15 p.m. if you are looking for a game that's easy and fun. You MIGHT just win some CASH! Yes, CASH. We have 50 cent Bingo every Wednesday except the last Wednesday. That's MEGA BINGO night and the stakes are doubled ... \$1 a game and the final jackpot includes a \$50 gift card as a BONUS!

HAPPY HALLOWEEN!!

Our annual "Boo Bash" costume party and dance will be held on Thursday, Oct. 29, at 7:30 p.m. in the auditorium.

We have the Betty Comora Band who will entertain this year (back by popular demand) and a festive dessert buffet for your sweet tooth!

To encourage attendees to wear costumes, we give out raffle tickets to folks who attend wearing Halloween/fall colors and an extra ticket if you come to the party in an actual costume!

Day Trips and Travel

We're headed to a "real working dairy farm" this month! Join us on Tuesday, Oct. 27, as we head to Dakin Dairy Farms in Myakka City. The bus departs at 9 a.m. for our 10 a.m. tour, hayride and barbecue lunch! This is a multigenerational farming family that is committed to providing fresh, nutritious dairy products from healthy cows. You will have time to shop following the tour.

Book Group Meeting

Romance, Reality and Murder is the title of the program Carol-Jane Guardino will present at the Book Group meeting on Friday, Oct. 9, at 10 a.m. in the auditorium. Mrs. Guardino taught English and Creative Writing in a Junior/Senior High School. She will discuss a former student who has written her first novel, a former student who writes a blog, and a friend who writes a mystery series. She will also talk about what motivates a person to write, the writing process and how to publish. This will be an interesting and informative program. -Louise Porter

B.I.L.L. NEWS

Our current DVD series is from The Teaching Company and National Geographic titled "Polar Explorations." Delve into the fascinating history, science, culture and wildlife of Antarctica and the Arctic. The final class in this series is on Nov. 17.

During this series, we will have four evenings that we take a break from the DVD, and speaker Baila Miller will present~ "Paris The Luminous Years (or La Belle Epoque (1870-1914))." Our first class in that series was Aug. 4, and it was very well received!

Who would have dreamed that the once traditional city of Paris would become the center of freedom in Europe? This course examines the exhilarating, scandalous, and intimate relationships of young artists and authors who shaped this magical era that came to be known as "La Belle Epoque" (1870-1914).

Artists such as The French

Impressionists, Pablo Picasso and Juan Gris, writers such as Gertrude Stein and Ernest Hemingway, booksellers Sylvia Beach, Adrienne Monnier, and many others made up this legendary milieu.

Class three will be held on Oct. 6 at 7:30 p.m. and is titled: The American Personality and Modernism: Picasso, Stein and Stieglitz. It appears to be the case that Americans, Gertrude Stein and Alfred Stieglitz, through their association with Pablo Picasso, created the Modern Art Movement. All three went against The Establishment and won! What is it about the American character that would engender this level of free thinking in a traditional world? We will examine the "Concentrated Force" of these irreverent Geniuses and see how they shaped the 20th Century.

Italian Classes

Have you always wanted to learn another language? Then join our new Italian classes with Gulf Coast Italian Culture Society!

There will be a beginners, intermediate and conversational Italian class every Monday in the Board Room beginning on Oct. 12.

The time is in the afternoon, but specific times will be listed on the flier you receive in your mailbox as there are breaks at holiday time, etc., so exact class dates and times will be on your calendar as well as on your flier.

Classes are free, but your teacher would like everyone who signs up to purchase the book, "Italian: A Self Teaching Guide" by Edoardo A. LeBano.

We are very excited to bring you this opportunity!
Ciao!

RAINBOWS AND SHOWERS

RAINBOWS for Helen Bruskas! She was kind enough to donate a number of fascinating DVD series from the Teaching Company when she moved in! Look for the series on the History of Russia in the coming months!

RAINBOWS for the fantastic outreach concert by pianist Lee Dougherty Ross and Jason Stearns! We hope we can get a group together to a few of the Artists Series programs!!

RAINBOWS for everyone who comes down to get their flu shot!

SHOWERS for people who don't put their name on their walker or cane.

RAINBOWS to ELAINE HEVRDEJS who has faithfully arranged the gorgeous flower bouquets you see around the community for 20 years! Elaine is retiring from that job and we could use someone (or a few people so the same person doesn't have to do it all the time) to take over for her. Let Leesa in resident service know if you would like to help out!!

RAINBOWS for the Line Dancers who

gave an outstanding performance at our recent Line Dance Party as well as on the Health Center!

WELLNESS CORNER

By Petra Mueller

By request I am adding a **Sit & Fit Class** on **Mondays** at the usual time, 11:30 a.m., in the Auditorium. A variety of different videos will be shown, so there is a change of workouts as well as various teachers.

I am planning a trip to the **Old World Restaurant** in North Port followed by a visit to the **Warm Mineral Springs**. The Warm Mineral Springs are Florida's only naturally formed warm mineral spring; the consistent 87-degree waters provide soothing comfort that has been enjoyed for generations. Come and join me on this trip to exercise, relax and refresh.

The pool will be closed for renovations, but you are getting the opportunity to use the pool at the YMCA during that time so you can maintain your routine of swimming or exercising.

We all know that stereotypical thinking is dangerous - but each of us does it. I confess I do. With my international upbringing and convictions, I have been an avid advocate to avoid seeing the world through stereotypical lenses. Constantly, and intentionally, I examine my own perceptions to eradicate any stereotypical bias. But sometimes I have a cruel, but necessary, correction to my worldview. Recently I had one of those "*hit-me-up-the-side-of-the-head-with-a-two-by-four*" learnings. Not pleasant, but much needed.

Let me pause here to make sure we all are on the same page. Some definitions of "*stereotypical thinking*":

--"*To believe unfairly that all people or things with a particular characteristic are the same;*"

--"*A widely held, but fixed and oversimplified image or idea of a particular type of person or thing.*"

Over the years, the term "*Australian Aborigines*" has conjured up in my mind a group of people who are tribal, uneducated, crude, bush people. My stereotype was a negative, demeaning, insensitive, and offensive characterization. Then I learned that the Australian Aborigines immigrated from Africa over 45,000 years ago, and as such are one of the oldest living populations in the world, and may also have the oldest continuous culture on our planet.

Why share this now? I came across an Australian Aboriginal proverb which is at the foundation of their culture and religion. These "*stereotypical inadequate*" people taught me a profound truth that left me in awe of their wisdom, insight, perspective, and humility:

"We are all visitors to this time, this place. We are just passing through. Our purpose here is to observe, to learn, to grow, to love ... and then we return home."

Need we say any more?!
