February 2017

Oleg Kruglyakov & Terry Boyarsky

“The Russian Duo” Returns!

On Thursday, February 9th, at 7:30 p.m. in the auditorium, “The Russian Duo” will perform! They performed for us a few years ago and everyone thoroughly enjoyed this unique concert, so we are glad they are on the schedule again!

Balalaika virtuoso Oleg Kruglyakov and masterful pianist Terry Boyarski enjoy a love of traditional music, but you will hear all types of music this evening, including traditional Russian folk music, bluegrass, tango, dances, classical, gypsy and more.

They combine historical information with masterful playing and performance.

They have some great videos on their website as well as reviews. Go to www.russianduo.com and check it out. This is the first of four “do not miss” concerts we have this month!

ENJOY!

Village Vibes

Thank you, Charlene!!

After 19 years of service with Bay Village's housekeeping department, dedicated staff member Charlene McIntire retired in January.

Pictured above is Charlene receiving her plaque of appreciation from housekeeping director Larry Buczkowski. We will miss you, Charlene!

The Great Backyard Bird Count

Every February, bird-watchers around the world lend a helping wing to scientists by participating in the Great Backyard Bird Count, a four-day project organized by the Cornell Lab of Ornithology and the National Audubon Society. Learn more at GBBC.BirdCount.org.

SUNCOAST MUMMERS PERFORM!!

Join us on Thursday, February 23rd, at 7:30 p.m. as we welcome the Suncoast Mummies back to Bay Village! They show up with an entire trailer filled with instruments, costumes and equipment! If you don't know what the "Mummers Strut" is, you'll find out that evening! The band consists of 45 members from all over the U.S. and Canada.

Instruments in the band include accordions, tubas, saxophones, violins, clarinets, drums, and a sophisticated glockenspiel and trumpets. Vocalists and their sophisticated "strutters," whose costumes barely fit through the auditorium doors, round out the group. A Philadelphia tradition since 1901, the annual Mummers Parade ushers in the New Year via a decidedly unique combo of outrageous sequined costumes, twirling parasols, choreographed dances, satirical performances, elaborate floats and props and general revelry!

About 10,000 mummers strut down Broad Street each year to the judges tent to be judged.

Welcome Janis Potter

On Saturday, February 11th, we welcome marimba artist Janis Potter to the Bay Village stage at 7:30 p.m.

This concert is provided to us by the Piatigorsky Foundation of New York. They have been providing outreach concerts to Bay Village for nearly 20 years now, for which we are certainly appreciative!

Named for renowned cellist Gregor Piatagorsky, who believed live music is for all, not a luxury for an elite few.

Ms. Potter graduated from the Julliard School, where she earned both her bachelor's and master's degrees and is widely regarded as one of America's top percussionists. She was even a member of the United States Marine Band and performed at the White House. She performs numerous solo concerts each year and is known for her energetic style and varied repertoire.

You can read reviews of her concerts and hear some music at www.janmarimbasoloist.com.

B.I.L.L. NEWS

On Tuesday, January 31st, we began "Ancient Explorers" with popular instructor Dr. David Miano from Adult & Community Enrichment. Full details of this 5-week class were on the flier you received in your mailbox in January. Join us each Tuesday evening at 7:30 p.m. through February 28th.

Bob Clementis, whose classes are also provided by A.C.E., will return for another 6-week "Foreign Affairs" class beginning on Tuesday, March 7th. Meetings are in the auditorium from 10:30 a.m.-noon. Bob's classes are very popular and discussion-based. His focus is on current events currently happening in the world, mostly the Middle East. During this time frame, we will not have a B.I.L.L. class in the evening and Sit and Fit will be held in the wellness center.

Welcome Ismar Gomes & Wan-Chi Su

This is the first time this duo is performing at Bay Village so we hope you will welcome them warmly as they take the stage on Thursday, February 16th, at 7:30 p.m.

Ismar Gomes, an award-winning cellist, performs across the U.S. and Europe as a soloist, recitalist and chamber musician. Hailed for his "impressive virtuosity, energy and tonal range," Mr. Gomes has established himself as a captivating young artist with a growing reputation for delivering exciting performances and innovative programming.

He is on the faculty of Loyola University of Maryland and offers master classes at universities and in preparatory programs across the country.

Mr. Gomes attended the Peabody Conservatory and his recordings can be found on Naxos and Cantaloupe Records.

Wan-Chi Su, piano, hails from Taiwan and has enjoyed an active career as a solo and chamber musician and has performed to great acclaim across Asia, Europe and the U.S.

The recipient of the Grace Clagett Ranney Prize in Chamber Music and the Clara Ascherfeld Award in Accompanying at the Peabody Conservatory, Ms. Wan-Chi has been a prize winner since the earliest stages of her career.

She has performed at numerous well-known concert halls, including Carnegie Hall in New York.

She attended the Peabody Conservatory in Baltimore, where she is now a doctoral candidate.

More information can be found on each performer's website.

RAINBOWS AND SHOWERS

RAINBOWS for Julian Alexander's 100th birthday bash! Best quote from the party was from the guest of honor himself, "This is the first day of my second century!"

RAINBOWS for the fantastic time everyone had on our outing to see "Cirque: Jungle Fantasy" at the Mahaffey Theater in St. Petersburg!

The jaw-dropping performances during the show had everyone on their feet at the end!

SHOWERS for people who take things from the game room closet (namely, bridge supplies) without returning them.

RAINBOWS for Petra Mueller for organizing the fantastic FLOOR VS FLOOR Shuffleboard Tournament. A fun morning for sure! Especially for the 12th floor who won a pizza party (first place) and the 6th floor who won an Einstein Bagel party (second place)! Thanks to ALL our participants.

** Resident Recipes Wanted **

We featured a Resident recipe day on the menu last year and it was very popular. Chef Sean would like to do it again. This year, Chef Sean would like to feature Resident recipes on the menu over several days so that you can get to try as many as you like. Each recipe will have a small write-up about the featured menu item on the back of the menu.

So we are asking for your recipes (soups, salads, entrées & desserts). Please place them in an envelope and give them to the Hostess at the Dining Room Podium. We will accept recipes until Friday, February 17, 2017. Then Chef Sean and his team will work on tweaking the recipes to provide for the larger numbers. We will then plan to feature them over several days during a week in the future giving credit to those Residents who submitted them. So find your famous recipes and let's get cooking!

The Shuffleboard Tournament was very well received. The 12th floor team, Ken Fake and Herman Wissenberg, won a pizza party for their floor. The team for the 6th floor, Sara Atz and Janet Steele, won a bagel party for that floor. Sally Lutz and Barbara Ungaro finished in a close 3rd place. Thank you to all participants!

On Saturday, February 25th, we are walking the Ringling Bridge, leaving Bay Village at 9 a.m. As always, you can walk the bridge once or twice or not at all and enjoy the park.

February is American Heart Month; read the back of the Wellness Calendar for some tips.

Health Tip of the Month: CAUTION with cough medicines that contain dextromethorphan (DM). When taking this medication, do not take alcohol, sedatives or sleeping pills the same day. These combinations can cause dizziness that could result in a fall.

This article is written in that great wasteland between the Federal election on November 8, 2016, and the Inauguration of our next President on January 20, 2017.

I do not pretend to possess the political, economic and business expertise to articulate all the issues swirling around in this current wasteland. However, I do offer a viewpoint on what each of us needs to be doing to change the current dialogue in our country and in our daily interactions with our families, friends and neighbors. This viewpoint transcends any party allegiance.

The current diatribes seem to be limited to "party loyalty," with no attention nor engagement as to the values which should be defining who we are as citizens of this already great nation.

As people who base our heritage on the Judeo-Christian faith traditions, our life as a country needs to be determined on the principles of justice, compassion, inclusiveness and respect for ALL - for the common good, not for the power brokers. Any other viewpoint denies the faith which we profess to hold precious.

My prayer is that we all will examine our own priorities. As we accept God's unconditional love for us, how do we dare deny that love to ALL others? May our lives give witness to the message on a recent church billboard:

"Hate Has No Home Here."
