Welcome CanAmGer Band

On Thursday, March 9th, at 7:30 p.m., we invite you to enjoy an evening of traditional jazz with the CanAmGer Band! Can anyone guess how this group got their name? Their members hail from CANada, AMerica and GERmany, of course!

They are under the direction of banjoist Mike Evans, who also leads the Coast to Coast Jazz Band and the Toll House Jazz Band. Both bands toured throughout the Midwest for a number of years. We're happy he is bringing the CanAmGer Band to the Bay Village Stage. This is their first time performing here, so we hope we have a large, enthusiastic audience that night!

You can hear music samples and read the extensive background of each musical member at www.tradjazzbands.com. We also hung that information in the glass case across from the gift shop!

Village Vibes

The Emerald Isle

St. Patrick's Day on March 17 is a national holiday in Ireland. Here's a wee bit more about the land of shamrocks and leprechauns.

Irish Gaelic is the country's first official language, but English, the second official language, is more commonly spoken.

The traditional sports of Gaelic football and hurling remain popular in Ireland.

Because of its isolation from the European mainland, Ireland lacks several animal species common elsewhere in Europe, including weasels, polecats and roe deer.

The national symbol of Ireland is a musical instrument: the harp. The 15th-century harp that served as the model for the emblem is housed at Trinity College in Dublin.

Erin go Bragh is a Gaelic phrase that means "Ireland forever."

Welcome THE CRYSTAL TRIO!

On Thursday, March 23rd, we welcome The Crystal Trio to the Bay Village stage for the first time! NOTE: this is a matinee performance at 2:30 p.m.!

Saying that this group is "unique" is certainly an understatement! They are a "harmonic glass ensemble" from Russia! They perform traditional and classical music on glass instruments: the glass harp, verrophone and glass panflute bass. Glass music, an ancient art which had success with many noble houses of Europe, Russia and North America in the eighteenth and nineteenth centuries, often introduced as an integral part of the symphony orchestra.

The members of the band, Igor Sklyarov, Vladimir Popras and Vladimir Perinov are professional musicians and are brought to us courtesy of the Moscow Nights Agency, the same organization that arranged the Russian folk dancing performances everyone loved so much in 2015 and 2016. Check them out on their website,

www.russianfolk.com/crystaltrio.

Two Returning Favorites Perform

We have two new performers scheduled this month, The Crystal Trio and the CanAmGer Band, which you just read about. We also have two returning favorites, The Maple Sugar Serenaders and The Weintraub Duo!

On Thursday, March 2nd, at 7:30 p.m. the Maple Sugar Serenaders take the stage. Mark Trichka and Lisa Brande have been performing together for 20 years professionally and have been performing at Bay Village for nearly as long!

Their unique repertoire and lively stage presence are just two of the reasons we keep asking them back. They play the fiddle, mandolin and guitar. Expect to hear everything from fiddle tunes from the dance halls of New England to music from around the world. Plus, they bring REAL maple syrup with them that you may purchase after the show!

On Thursday, March 30th, at 7:30 p.m. we welcome back the wonderful Weintraub Duo!

Jason and Nancy Weintraub both graduated from the renowned Eastman School of music and perform all your classical favorites, with Nancy on piano and Jason on English horn.

Day Trips and Shows!

On Wednesday, March 1st, we are headed to Circus Sarasota! We are anticipating another excellent show filled with thrilling and fun acts again this year!! Instead of having lunch out prior to the show, we'll head to dinner this year, following the show. We haven't been to Captain Brian's in years, so we'll head there for fresh seafood and reasonable prices. **Bus departs at 12:30 p.m.!**

Our group had SUCH a wonderful time last year, out with the Audubon Society on the Carefree Learner boat, we booked it again! Join us on Tuesday, March 28th, at 11:30 a.m. as we head to Marina Jack Marina and enjoy a two hour cruise around the bay and out to the rookery to learn about and view HUNDREDS of birds and their new babies! Pelicans, egrets, spoonbills, night herons, blue herons and other species were sighted last year! Bring your camera and binoculars! We'll have lunch at Marina Jack's restaurant following the cruise.

VISION STATEMENT

The vision of Bay Village of Sarasota, Inc. through 2018 is to:

1. Strive to achieve the highest quality of service to our residents.
2. Extend effective dialogue between residents and staff.
3. Promote the efforts of staff and residents to build a caring community.
4. Balance net operating revenues and financial reserves so that we may have the financial strength to maintain our infrastructure and to provide our staff with a competitive compensation and benefit package.

B.I.L.L. Series News

We would first like to thank Dr. David Miano for his fascinating 5-week series, "Ancient Explorers." He has additional topics, so we will be sure to ask him to return!

Beginning on March 7th, from 10:30-noon in the auditorium, we welcome Bob Clementis back for another "Foreign Affairs" series. Bob's class, like Dr Miano's series, is provided to us courtesy of Sarasota Adult and Community Education. Bob's classes are very popular and encourage discussion. He usually focuses on the Middle East. Bob is a respected former foreign policy analyst with NATO and the U.S. military. He holds a master's degree from John Carroll University in foreign relations and history. This is a 6-week class.

During this time, we have "lighter" DVDs at the usual B.I.L.L. time, every Tuesday at 7:30 p.m. Everyone really seemed to enjoy the first two "Wonders Of..." films that we

showed in January and there are four films left in that series. See your calendar for each title. Following that, we have a film about the Military Tattoo in Scotland as well as a tour of England. Details about those films will be on the flyer you receive in your mailbox!

HOUSEKEEPING NEWS!

From the Dining Services Director

Did you know that March 7 is "Bay Village Dining Services Appreciation Day"? Back in 2002, after the completion of the kitchen renovation, the Bay Village Board of Directors decreed March 7 as Dining Services Appreciation Day.

This was done in recognition for the staff's efforts during the main kitchen renovation. The staff prepared meals in a temporary kitchen at the back of the building and did not miss a beat during the five-month project.

As you go about your day on Tuesday, March 7, please recognize the Dining Services staff for their efforts. I know they will appreciate it.

OLD GLASSES?

If you have a pair or two of glasses you no longer wear, The Lions Club would like them! There is a basket near the elevator in the Terrace! Thank you!!

In March we have 3 very different outings planned for you.

A **sunset stroll** in Venice along the pier by Sharky's and a walk in the park by the beach combined with dinner is planned for **March 8th**.

Walking around the lake at **Benderson Park** or parts of it has been a request from residents for a while now and on **Saturday, March 25th**, we are heading to the rowing facility to do just that. You can walk and then enjoy lunch at the mall, or you can go straight to the **UTC Mall** and enjoy some free time to shop till you drop and have lunch.

Tour **Lemon Bay Park**, a natural setting with various guides on **March 29th**. One of our residents, Jack Sneider, is a volunteer there and we had a great time last year.

This is the time of the year, when the weather is so perfect for outdoor activities. Take advantage of it!!!

A ukulele player and a hot tub lifeguard showed up at the ice cream party!

A granddaughter was having fun talking with her Grandpa. As children will do, suddenly she asked a question out of the blue:

"Grandpa, did God make you?"

"Yes," said Grandpa.

"Did God make me, too?" asked the granddaughter.

"Why, yes, God made you, too," said Grandpa.

Quietly she looked intently at her Grandpa, finally speaking softly, "You know, Grandpa, God's doing a lot better job lately."

Joe Albright of Dial Hope offered this story, and he caused me to reflect about our lives with others at Bay Village and with our families. The granddaughter was right: children do have fewer "scars." Those of us older folks do have more "scars"—physical, emotional, and spiritual. We have been around the block a few times. We have graduated from the college of hard knocks. We have scars.

This is NOT all negative. Because of our scars—our wounds—we can be more sensitive to others who are going through "scar times." Unfortunately, however, sometimes we become critical, judgmental, or even hurtful to others about their scars. When we are willing to admit to ourselves and others that we, too, have scars, we are able to be more patient, caring, sensitive, and supportive of others in their "scar" moments.

So may it be with each of us as we live our lives as "wounded healers" in the midst of others who are experiencing their own "scars."
