# Volunteer Corner

We have a tremendously successful volunteer program at Bay Village! About 2/3 of our independent population volunteer in some capacity! Thousands of hours are contributed each year to the Country Store, Gift Shop, Library and Down Under Shop.

Residents also participate by serving on numerous committees, under the direction of our Residents' Council and help plan everything from what is hung in our art gallery to what entertainment programs we schedule, as well as what type of religious services we offer.

Our volunteers even help sort the mail, help out on our Health Center and assist with office work and in so many other ways too numerous to list here.

To show our sincere appreciation for all you do, we have our Appreciation Luncheon each May. This year it is being held on Wednesday, May 10th, at 12:30 p.m. in our dining room.

If you haven't received your invite by now and you volunteer, please stop by or call resident services at ext. 4005.

### David Pedraza Performs

Violist David Pedraza is well known to many folks here at Bay Village because he has performed here many times as he is an outstanding musician.

David was born in Reynosa, Mexico and started his studies at age 14.

He received his bachelors degree at Shenandoah Conservatory and he completed his masters degree under full scholarship at Lynn Conservatory.

David has won many awards and has performed all over the world.

Currently he is with Miami Symphony and the Vitaly Quartet. Tonight he is accompanied by pianist Olga Kim.

Enjoy the concert everyone!

David Pedraza Will Perform On Thursday, May 4th in the Auditorium at 7:30 p.m.

### Appreciating America's Military

May is a month to appreciate warmer days, sunshine and all that comes with spring. And since 1999, it's also designated as Military Appreciation Month, a time to formally and publicly thank and support the men and women who have served or currently serve to protect our freedom and liberty.

Created from the simple idea of gathering America around its armed forces to show gratitude and solidarity, the month of May was chosen because it already includes the most military-related commemoration days: Loyalty Day, Victory in Europe (VE) Day, Armed Forces Day, Military Spouse Appreciation Day and, most well-known, Memorial Day.

The congressional resolution for Military Appreciation Month calls for a proclamation from the president regarding the important role these men and women fill, but you can celebrate in your own community any way you choose. One of the easiest, yet most meaningful, is to offer a heartfelt thank-you to all service members, past and present.

*On Memorial Day, here at Bay Village* we will hold our annual *Memorial Day Ceremony* in the *Auditorium at 11:00 a.m.* *Kim Sheffield from Active Minds will speak.* Remember her talk about the Supreme Court? Everyone really enjoyed that, so we are glad she is returning.

### Wellness Corner, By Petra Mueller

In May I am offering a trip to Nathan Benderson Park on Saturday, May 13th. You will have the chance to walk along the lake, where the international rowing competitions are being held, and scope out the new facilities while we are there.

On the same trip, the alternative is to go straight to the mall to do some walking inside, while you are shopping or window shopping at the UTC Mall.

The pool is nice and warm and invites you to do any kind of exercise, from swimming to deep water running. There are two bins with water exercise dumbbells, noodles, kick boards and more out by the pool. Feel free to use anything.

Looking forward to June already; there will be a special Line Dance Class for residents who use walkers.

### B.I.L.L. Series News

Everyone enjoyed Baila Miller's presentation about, "Peggy Guggenheim: Art Addict." We all learned quite a bit about this quirky art collector, didn't we?

We were glad that Bob Clementis was able to provide two additional "Foreign Affairs" classes this time. His students are grateful as there is much to discuss regarding world affairs, especially right now.

We had a broken DVD last month! On Tuesday, May 16th, we'll show Scotland's famous Military Tattoo. Join us for the color, spectacle and excitement of this decades old tradition that takes place at the Edinburgh Castle. This is the largest single gathering of military musicians in the United Kingdom and is quite the sight! We were able to obtain another copy.

The last day of artist and instructor Kevin Costello's current series, "Goddesses: Female Beauty From Ancient Times To The Present." is

May 9th. Hope everyone enjoyed that class.

We still have part 3 of the "Italy" series remaining! Everyone really enjoyed parts one and two because all the beautiful scenery brought back lots of memories of places visited in that beautiful country!

We'll begin part three on May 23rd.  
The final part is six weeks long and begins at our usual time, 7:30 p.m.

### Cyrus Forough & Milana Strezeva Perform

We have the distinct pleasure of announcing this month's "do-not-miss" concert with this "dynamic duo"!

You remember Ms. Strezeva from last fall when she accompanied her mother, opera soprano Svetlana Strezeva? They brought the house down!

This time, she is performing with renowned violinist Cyrus Forough.

Laureate of the Tchaikovsky International Violin Competition, Cyrus Forough has performed in recital halls with orchestras through four continents, including broadcasts on radio, television and command performances for international dignitaries.

Mr. Forough is a professor at Carnegie-Mellon University and is a visiting professor at the Eastman School Of Music.

In London, England, he was presented with the World Academy of Arts,

Literature and Media Award in recognition of his contributions to classical music and education. With regard to Ms. Strezeva, the Boston Globe described her playing as, "technically fluid, dramatically convincing and sonically full-bodied supportive collaborations."

Ms. Strezeva is a recipient of many prestigious prizes and awards. She received both her bachelor and masters degrees from the Julliard School under full scholarship. She is a founding member of the Manhattan Piano Trio, one of the most dynamic and creative young ensembles in America. They perform all over the U.S., Australia and South Africa.

Their full biographies are hanging in the glass case outside the gift shop. You are in for a treat tonight folks!

## Day Trips and Travels!

In May we have some nice day trips booked!!

We haven't been to the South Eastern Guide Dogs School in quite a while, so we are tentatively scheduled to do that on Wednesday, May 17th. They have a new visitors center and we will also take a tour of the kennels where you will have the opportunity to play with the puppies. Tentative departure time is 11:00 a.m. and lunch will be on the water at The Crab Trap I in Palmetto.

When folks heard that a Chagall exhibit was coming to the Selby Gardens, we received MANY requests for a tour, so join us on Thursday, May 11th. We're going to enjoy a private tour of the exhibit and lunch will be at their Cafe. You will receive further information on all these events on the flyer you receive in your mailbox! When you receive the flyer, you can sign up on the sheet in the activity book.

Have fun, everyone!

Jane & Frank Camerota really enjoyed our trip on the Starlite Princess dining yacht around the bay in St. Pete Beach. A great time was had by all is an understatement!

Tasha Blackburn, a ministerial colleague, reminds us of a memoir written by Karen Blixen, a memoir which was the basis for the movie "Out of Africa."

One day a young boy named Kitau came to work for her. After only three months, Kitau came to Blixen asking for a letter of recommendation in his application to work for one of Blixen's neighbors. Blixen did not want the young man to leave, so offered him more money.

Kitau said, "No, it is not a matter of money. I made up my mind before I came here to become Christian or Muslim. So I stayed here for three months to see the ways and habits of Christians. Now I will go to our neighbor's house and see the ways of Muslims. Then I will decide."

This true story caused me to reflect: what do people learn of my Christian faith when they see my ways and habits?

I invite us all to look at what other people observe and assess about our values, our faith, our commitments by the way they see us living our lives. What sense of grace, compassion, peace, and justice for all do we exhibit? Do we treat everyone else as a child of God or as a person to be exploited for our benefit?

There are many persons, unknown to us, who are deciding their values for their life, based on what they observe in us.

What a wonderful opportunity is ours to make sure that what people see in our daily attitudes and commitments represent the faith we are called to share with all.
