NICHOLS' NOTES

Upon moving to the "Sunshine State," I expected to see sunshine on a daily basis driving back and forth to Bay Village and our home in Venice. I have indeed not been disappointed with the beautiful weather! In addition to the warmth of the weather, I have also experienced magnificent sunshine and warmth from the residents, board members, and staff here at Bay Village with various welcoming parties and meetings. I have thoroughly enjoyed this past month meeting the residents and staff. I have found Bay Village to be very warm and friendly. There is a great team of coworkers here, providing excellent service and care to all the residents. I have spoken with quite a few residents and everyone I have talked with is enjoying living here at Bay Village. Bay Village, as I have mentioned to several of you, reminds me very much of the organization I left in Frederick, Maryland, with all the wonderful staff and residents.

I want to wish Jack all the best with his retirement. He has taken really good care of Bay Village during his 19 years here. I will have some big shoes to fill!

I am getting settled in our home in Venice. Sheila and our four teacup poodles (Salt, Margarita, Shaker, and Martini) came down from Maryland in late May. We are beginning to live the "coastal" lifestyle and entering a brand new chapter of our lives.

(Our Mission Statement was moved to page 2 so the editor could fit the photo on the same page as the accompanying article. It will go back next month.)

Village Vibes

MISSION STATEMENT

"Established on Christian principles, Bay Village of Sarasota, Inc. offers a dynamic, secure and comprehensive residency for older adults. It provides meaningful community life with continuing care."

SAVOR SARASOTA!

The first two weeks in June is "Savor Sarasota," an annual event that our finest local restaurants offer a special "prix-fixe" menu. You don't have to order off the special menu, so we put both in the activity book. At just \$16 for lunch and \$32 for dinner, this makes for a great opportunity to try a restaurant you've never been to! We're going to some "tried-and-true" Bay Village favorites as well and some we haven't dined at as a group. Bon Appetit!

FRED MOYER RETURNS!

We are very happy to report that renowned pianist Fred Moyer is scheduled to perform!

During over thirty years as a full-time concert pianist, Frederick Moyer has established a vital musical career that has taken him to forty-three countries, including Sydney, Australia and the Kennedy Center here in the U.S. as a piano soloist with many major orchestras.

In 1992, Fred started a record label, JBL Recordings, which has produced CD's by numerous world-class musicians. His many recordings on this and other labels comprise works by over thirty composers and reflect an affinity for a wide range of styles. Many of today's classical composers have written works for Moyer, including Pulitzer Prize winners George Walker and Ned Rorem, and Daniel Fox, whose Etudes of 2002-2006 were written under a grant from the Guggenheim Foundation.

Join us on Saturday, June 10th, at 2:30 p.m. for a concert you won't soon forget!

WELCOME BACK CHALYCE!

Another Bay Village favorite is performing this month! Chalyce Sullivan is a classically trained pianist who is also blessed with a beautiful singing voice! Her repertoire is varied and always includes Broadway favorites (she was in *The Pajama Game*!!), Great American Songbook standards and maybe a classical piano number thrown in for good measure!

Join us on Thursday, June 22nd, at 7:30 p.m. for another great concert with Chalyce!

HOUSEKEEPING NEWS!

Even though we have fantastic front-loading washers and dryers now, they still aren't big enough for your REALLY big items! If you would like a large item laundered, call Denise in housekeeping!! She'll have someone pick it up for you!!

To Be Determined

The Village Vibes

Wellness Corner, By Petra Mueller

Dr. Paul Runge, an Ophthalmologist here in Sarasota, is coming to talk about "Macular Degeneration" on Saturday, June 10th, at 10:00 am.

This loss in the center of the field of vision is common in many people. Come with your questions about the health of your eyes; he will take some time and answer them.

Summer begins officially on June 21st, so let's welcome the hot season with a Masterclass in the Auditorium on June 22nd at 9:30 am, followed by a pool workout at 10:15 am and then poolside refreshments will be offered.

June 24th will be the next time for another Ringling Bridge Walk. Put your walking shoes on and join me on the Walk, or you can enjoy the view in the park and take a stroll there.

B.I.L.L. Series News

Kevin Costello recently completed a series on Goddesses in Art and we thank you for your attendance and we're glad you enjoyed his classes.

We have a special presentation for you! We've got a summer full of Ken Burn's documentaries for you all about New York, the city that never sleeps! We'll start on July 4 at 7:30 p.m. with Coney Island! What better place to spend Independence Day!

Before there was Disneyland, there was Coney Island. By the turn of the century, this tiny piece of New York real estate was internationally famous. On any summer Sunday, great pleasure domes—Steeplechase, Luna Park and Dreamland—competed for the patronage of a half million people. By day an amusement park, by night it was an electric Eden!

Also this summer, enjoy a documentary about the Brooklyn Bridge and an eight-part series about the history of New York.

Details about both will be in your July newsletter.

We are also waiting for confirmation of a summer class (or two) from Adult and Community Education. We'll let you know as soon as we know!

A Day for Dads

Father's Day is celebrated on the third Sunday in June. It is a time to honor fathers, celebrate fatherhood and appreciate the influence of fathers in society. Let all the fathers in your life know how special they are on this day just for them. At Bay Village, we celebrate with our annual Father's Day Dinner! Special menu will be in your mailbox mid-June and we will have seatings at noon, 2 p.m. and 4 p.m. ENJOY and Happy Father's Day!!

VISION STATEMENT

The vision of Bay Village of Sarasota, Inc. through 2018 is to:

1. Strive to achieve the highest quality of service to our residents.
2. Extend effective dialogue between residents and staff.
3. Promote the efforts of staff and residents to build a caring community.
4. Balance net operating revenues and financial reserves so that we may have the financial strength to maintain our infrastructure and to provide our staff with a competitive compensation and benefit package.

MOVIE NEWS!

Will Smith's latest movie, "*Collateral Beauty*," recently came out on DVD, so we are showing that and other Will Smith movies this month. See you at the movies!!

Summer Hiatus!

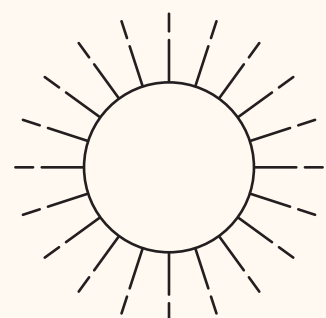

Residents' Council (resumes meeting in September) and Men's Breakfast (resumes meeting in October) take a summer break!

CHILDREN'S ORCHESTRA

Have you ever attended one of our concerts by the *Sarasota Children's Orchestra*? What a great way to spend a summer afternoon! There are adults in the orchestra as well. The next one is *Saturday, June 24th, at 2:30 p.m.*

RAINBOWS AND SHOWERS

RAINBOWS for Jack Sneider. Not only did he do a great job with his speech at our Volunteer Luncheon, we told him that if he could figure out how to email a photo, we'd put it in the "Vibes"! See above for a photo from our Lemon Bay Park Trip.

RAINBOWS for Jack McClellan for his years of service to Bay Village! We'll post photos next month because his retirement parties happen after our newsletter is due.

RAINBOWS for the great trip to Selby Gardens! Everyone had a great time with our guide (see photo below) and

we made it past the armed guard to view the Chagall original paintings! RAINBOWS for Leesa Rendeczky for her outstanding job organizing our volunteer luncheon! You volunteered 20,105 hours last year, folks! AWESOME JOB!!

RAINBOWS for 2 fantastic concerts in May! David Pedraza did his usual outstanding job and we are still getting over how fantastic our violin/piano duo was! Thanks again, Milana and Cyrus!!

Showers if you aren't returning our new luggage racks to their proper place. We put signs on them, so you know in which entrance they belong.
THANKS!

GREAT DAY AT SELBY!

GIFT SHOP NEWS!

The tulips are wilting but other flowers are coming out and there's lots to celebrate in June.

Hop on the band wagon and buy your favorite graduate (grandchildren, nieces and nephews) a card, candy, a watch or jewelry from the Gift Shop.

We have some cards with pockets for money. Does your family like to find money in pockets in cards? Mine does. It's an especially nice gift for that hard-to-please guy.

After graduation, we have paper goods for the party, napkins, plates and thank-you notes. We also carry stationary for letters. You remember what letters are before computers?

June is covered but wait until you see what's new for July! —Gift Shop Staff

Day Trips and Travels!

Upcoming trips this summer include our FIRST Drum Circle on Siesta Beach! Drummer Edsel Van de Wal Arnemann will lead on Thursday, June 1st! Bus departs for the beach at 4:00 p.m. We'll bring a dinner picnic to enjoy! Edsel will give you a little history of drumming in general and he will bring a dozen drums for you to borrow. Bay Village also has a few drums. If you have a drum and want to bring it ... great!! Drumming is optional, of course! If you want to walk the beach or just join us for the picnic, that's great!

On Monday, June 12th, we will depart Bay Village at 10:15 a.m. for a tour of the Asolo Repertory Theater. We have never done this, so we're really looking forward to it! You'll learn what it takes to put on a show and see behind-the-scenes areas, including the sets, costume and props areas. Exciting! Following our tour, we'll enjoy a lunch from Morton's Market.

As a followup, we'll head to the Koski Scenic Studios in September where we will view the expansive area where sets are being built before your eyes and really get a holistic understanding of what it takes to put on shows of the high caliber that our amazing Asolo Theater manages each and every year!

Details of that will be in your September newsletter.

Have fun, everyone!

"HOW TO BE MISERABLE"

To save you the time, I'll share an article I saw recently which is guaranteed to produce miserable results!

- Think only about yourself;
- Talk only about yourself;
- Use "I" as often as possible;
- Expect to be appreciated;
- Be suspicious;
- Be jealous;
- Be envious;
- Be sensitive to slights;
- Never forgive a criticism;
- Trust nobody but yourself;
- Insist on consideration and respect;
- Never forget a service you have given to others;
- Do as little as possible for others.

If, on the other hand, you look for meaning in life, there is another way: move beyond your own issues and concerns to reach out to others. You will experience a change of perspective *away* from being miserable. You will discover that your life now has room for deeper joy and fulfillment to take up residence.

The choice really is ours.
