### Nichols' Notes

Bay Village has been in existence for 42 years sitting on the Gulf of Mexico and has never experienced a hurricane, but that all changed last month when Hurricane Irma came onto our campus. Preparation for such an event has been planned throughout the years. It was now time to take that preparation and put it into action. Here are some of my thoughts about the hurricane event:

- I am very proud of our management team here at Bay Village. We met every two hours on Sunday to get updates from each department. The teamwork exhibited by all the departments was great!
- The staff did an outstanding job during the hurricane. We had over 250 staff and family come into Bay Village. The staff was here to continue to provide the service and care to all our residents. The staff was here not knowing what was going to happen to their homes and property.
- Bay Village used Facebook for the first time to keep family and friends of residents updated as to what was happening on our campus. We shared about the extended lunch meals and shared the Sunday "hurricane lunch" menu consisting of prime rib or baked sole. One comment came back saying, "Sounds really good; eat it up."

I have been here only four months. What I saw during the hurricane was a campus that has great teamwork throughout. Residents were very appreciative of the efforts made by all the staff. Bay Village is "where the good life gets better," even during a hurricane!

### The "ROYZ DUO" Performs!

This is the first time this duo is performing here, so we hope you will join us on Thursday, October 12th, at 7:30 p.m. in the auditorium!

They are from Montreal, Canada, originally and were one of the most popular wedding bands in Toronto when they resided there.

Lead vocalist Heather Arden Roy has an incredible five-octave range and sings a dizzying array of styles and genres. She sweeps from sultry jazz to opera, Celtic, R & B and dance music.

She is also a dynamic percussionist! Guitarist and vocalist Andre Roy is one of a handful of seven-string guitar players and also a versatile vocalist.

He arranges the music for the band and has been involved in music since his early teens. He majored in music at McGill University in Montreal and was awarded a prestigious Canada Council grant to further his studies in the United States at Berklee College in Boston.

Check out their website at [www.royzband.com!](http://www.royzband.com)

### Duo Beaux Returns!

Pianists Dr. Catherine Lan and husband Steinway Artist Tao Lin return to us on Thursday, October 5th, at 7:30 p.m. in the auditorium.

Duo Beaux Arts was formed in 2008 by internationally renowned concert pianists Tao Lin and Catherine Lan. The duo performs throughout the U.S. and Asia to both critical and audience acclaim and just made its European debut in France and Switzerland. They specialize in Baroque and contemporary eras, including tangos and ragtime!

Recognized as a child prodigy, Dr. Catherine Lan made her first international debut at age 8, performing in Japan following her winning the Junior Original International Competition.

Since then, she has performed throughout the world as a soloist with many prestigious orchestras and has performed at Weill Hall at Carnegie Hall, Orpheum Theater in Vancouver and the historic Victoria Concert Hall in Singapore.

Husband Tao Lin is a Steinway Artist and has performed as a soloist with such prestigious orchestras as the Moscow Chamber Orchestra. As a recitalist, he has performed at The Kennedy Center in New York and Chautauqua Institute.

## Wellness Corner, By Petra Mueller

As we leave Irma behind us, I have some fun activities for October.

On October 4th, we are planning a guided kayaking trip right here in the Bay. Great exercise and great views will be part of it.

Dr. Paul Runge will give a talk about "The Effects of Diabetes on your Eyes" on Saturday, October 7th. Listen and learn about this important topic.

We're headed to the Bradenton Riverfront walkway along the Manatee River on Saturday, October 21st. There is a fantastic farmers' market there every Saturday, so you will have an opportunity to visit that; and we are planning to enjoy lunch at Mattisons Riverside.

Mini golf at Smuggler's Cove is on the schedule on October 31st. Come out for some fun, competitive and easy exercise at an adventurous cove, including alligators! Bay Village will buy lunch for the winner, at Tommy Bahamas, and ice cream at Kilwins for our second-place finisher! So yes, we're keeping score!

## B.I.L.L. Series News

Our salute to New York this summer was extremely well-received. Join us for the finale titled "Brooklyn Bridge," which was produced by Ken Burns on Tuesday, October 10th, at 7:30 p.m.

In Brooklyn Bridge, Ken Burns captures the physical majesty of the greatest of all achievements of the industrial age, the dramatic story of the larger-than-life men who imagined and built it, and the immense charm this granite and steel structure has exerted on generations of city dwellers.

We promised we would put "Scotland's Military Tattoo" on the schedule when we got a working video and we have. The video will be shown on Tuesday, October 17th, at 7:30 p.m.

A reminder that our next class from Sarasota Adult and Community Education will be a four-week class titled: "Mennonites, Amish and the Pinecraft Community."

Sarasota has a vibrant community of Amish and Mennonites, many of whom are identified by their distinctive garb, riding their three-wheelers along Bahia Vista Street in the Pinecraft neighborhood. Have you ever wondered what they believe and why some of them have retained their unique customs over the years? This class will explore the historical developments of Amish and Mennonite beliefs, as well as current customs and practices.

Class is taught by J.B. Miller and is held on Wednesdays beginning October 18th from 10:00 a.m.-11:30 a.m in the auditorium.

Our last class is on November 8th and we will head to lunch at Der Dutchman afterward! Further details of that will be on the mailbox flier.

On Tuesdays at 7:30 p.m., our next DVD series is titled, "Ultimate Nature Collection" from National Geographic.

## "Village Vibes"

Barbara Ungaro holding "Shaker," the teacup poodle, one of the menagerie of visiting dogs we had during the storm. Thanks to Sheila Nichols for taking all four Nichols family teacups to the health center to entertain with their tricks!

You thought there was a pot of gold at the end of every rainbow? Turns out it's Bay Village!

### German Heritage

Oktoberfest ends on Oct. 3, but you can still celebrate your German ancestry all month long: October is German-American Heritage Month, with National German-American Day on Oct. 6.

### RAINBOWS AND SHOWERS

RAINBOWS for the STAFF, RESIDENTS AND FAMILY MEMBERS WHO REALLY ROSE TO THE OCCASION DURING HURRICANE IRMA!!!!!! Your patience, willingness to cooperate and keeping your sense of humor alive is appreciated by your management team. We hosted 240 staff members and their families, about 40 dogs, 15 cats, a ferret, a guinea pig and a partridge in a pear tree (kidding) staying with us for about three days.

RAINBOWS for Petra Mueller for keeping the kids busy during Hurricane Irma! A scary time for them.

RAINBOWS for Bill Seigh and our maintenance team who worked around the clock during the storm.

RAINBOWS for Tony Redfoot and Chef Sean (and the dining services team who remained at Bay Village during the storm) for putting in a tremendous amount of hours to ensure that our staff and residents were served absolutely wonderful

meals! Couldn't have done it without you!

RAINBOWS for Larry Buczkowski and our housekeeping team! They were instrumental in cleaning, stopping leaks, mopping up leaks, moving furniture and other items during the storm as well as getting us in ship-shape again following the storm! Whew!

RAINBOWS for Kim Joynes and our health center team! Our nurses and nursing assistants slept in the library and card room to make sure they were rested during the hurricane and that our residents experienced little or no disruption in care.

RAINBOWS for Roger and Ruth Woodrow for donating the ice cream from their freezer to the young people who were staying in the auditorium. They loved it!

SHOWERS for Hurricane Irma. Pun intended!

### Staff Salute!

We all know the staff members at Bay Village do their best to go "Above & Beyond" each day to ensure the nearly 400 people who reside here are not only happy, but feel that they certainly made the right choice by choosing Bay Village. To thank them, and specifically those reaching certain "milestones" (with regard to length of employment), we hold our "Employee Appreciation Luncheon" each October. We also honor the staff members who were named "Employee of the Month." From that group, our "Employee of the Year" is chosen. The employee of the year receives \$500, a covered parking space and his or her photo appears on the plaque across from the beauty salon. This year, the luncheon will be held on Wednesday, October 18th, so no lunch will be served in the dining room that day.

### Hats Off to Halloween!

Our annual Halloween Party is scheduled for Thursday, October 26th, at 7:30 p.m. in the auditorium. We have entertainment by popular jazz vocalist Kitt Moran. Those of you who have never heard her sing are in for a treat! Kitt performed at Merv Griffin's Resorts for years and has recorded with jazz greats such as Rosemary Clooney and Harry Allen. She sung with Bert Bacharach and Vic Damone to name a few!

We had a hat contest a few years ago and everyone really enjoyed it with "mystery judges" and pretty great prizes! We'll have four categories this year: FUNNIEST, SCARIEST, MOST BEAUTIFUL and BEST "MADE FROM SCRATCH" hat. REMEMBER, you don't have to wear a costume if you want to participate if you don't want to; it's the HAT that "counts" in the contest.

### The Village Vibes

#### BOOK GROUP NEWS!

Friday, October 13th, at 10:00 a.m. in our auditorium we will hear from Bay Village resident *Judy Evenson* about the relationship between President Roosevelt and Prime Minister Winston Churchill during the early days of WWII. The book, *Citizens of London*, tells how three Americans living in London help bring the two men together and subsequently change the course of the war.

Judy is too young to remember the war herself, so she is hoping that those attending will be willing to share their own memories of the war either at home or abroad. Save the date and plan to attend!

—Terry Butner  
ALSO, if you know an author who would like to share their story at the book group, please contact Judy Evenson in apartment 1043.  
THANK YOU!!

### Chaplain's Corner Rev. Dr. Chuck Moffett

On Monday, September 11, there were a variety of gatherings being held across our nation. For some it was a time of somber remembrance of those who died in NYC, Washington D.C., and Pittsburgh on the occasion of the 9/11 terrorist attacks. There were gatherings for giving honor and thanks for the first responders who gave of their time, caring, skill—and yes, even their lives—to rescue the victims of the attack. On another occasion, I know of one gathering in Washington state which celebrated the 28th birthday of one particular young lady, my oldest granddaughter, who serves in the U.S. Coast Guard. So, there were remembrances of death, heroism and birth.

Locally, there were “farewell” parties as Hurricane Irma left our communities. Yes, the winds, rain, power outages and storm surges were ending but the devastation left behind was not over and will not be for a very long time. In the wake of Irma was death, destruction and despair. Those realities are not wiped away by holding a “farewell party.”

Perhaps what Irma and Harvey can leave in their wake for all of us—whether the spared or the spoiled—is the lesson that there is a vital difference between “sympathy” and “empathy.”

*SYMPATHY* says a casual, “Oh, I am so sorry for you. I realize that, but for the grace of God, I would be in your shoes. So I wish you well.”

*EMPATHY* says, “By the grace of God I am here to be with you and walk with you in your hurt and hopelessness. I am here to be part of your healing for however long it takes.”

My prayer for me, and for each one of us, is that we may look deep into our soul and be intentional in demonstrating *empathy*, not merely *sympathy*—not just in the wake of Irma, but in all of life’s bitter storms.
