NICHOLS' NOTES

In January, The Bay Village Endowment Fund hosted a Legacy Dinner here on our campus. I was asked by several residents about how a person can become a member of the Legacy Society. The Legacy Society was developed years ago as the Endowment Fund was looking for donations to increase the monies in the Endowment Fund. A Legacy Society member is an individual who donates at least \$2,000 to Bay Village's Endowment Fund. This can be done several ways to include a onetime donation of \$2,000 or donations over a period of time to total \$2,000. If you have any questions, please do not hesitate to contact me.

Our resident satisfaction surveys were tallied and the results were presented back in January at a campus update. The landscaping section of the survey increased the most from the surveys in 2018. During the past year, Bay Village has had new plantings placed throughout the campus, but one of the main areas was the wall out front along Vamo Road. The new plants along this wall have received a lot of very positive comments. I often see residents walking outside on our sidewalks around the campus. I am glad everyone is enjoying the outdoors.

Congratulations to housekeeper Barbara Bowles on her retirement from Bay Village! Barbara started here on December 2, 1977, just two years after Bay Village opened and was our longest tenured employee. I wish her the best!

St. Patrick's Day is this month. May you find your pot of gold under the rainbow!

WELCOME PAYADORA QUARTET!

On SUNDAY, MARCH 3RD PAYADORA WILL PERFORM FOR THE FIRST TIME HERE!!

Founded in 2013, Payadora has quickly become one of Toronto's most vibrant and sought-after acts. Payadora performs an expansive repertoire of original compositions and their own arrangements of Argentinean Folk Music and Tango. Their broad scope in tango draws from the height of Buenos Aires' Tango tradition, including compositions by De Caro, Pugliese, Troilo, and

Salgan, to the masterful, contemporary sounds of Astor Piazzolla and beyond. Drawing from eclectic backgrounds in Classical, Jazz, Latin, Eastern European folk music, and improvisation, Payadora's performances exude technical virtuosity, playful spontaneity, and rhythmic vitality.

Elizabeth, the violinist for Payadora, has a harp-playing mother! Elizabeth Borsodi performed for our Legacy Society dinner AND our last Valentine's Tea!

Looking forward to hearing the music of this fun group

EARLYE MUSIC CONSORT RETURNS!

Join us on *Thursday, March 21st at 7:30 p.m.* for the return of The *Sarasota Earlye Musicke Consort* who play music dating from the 14th century to the 21st century on recorders and viols.

Programs are varied, with descriptions of the instruments and commentary about the music shared at each performance. The Consort typically presents three or four concerts in the spring.

This is a learning opportunity as well, as a little history of the instrument is given about each style of recorder.

Under the direction of Bay Village's own Charlotte Trautwein, the concerts are a truly unique way to experience very old music.

B.I.L.L. MARCH/APRIL

March 5 "History by Hollywood: In Defense of the Movies and Their Creators" Speaker: Dr. Robert Toplin. Dr. Toplin will challenge the familiar view that history-based movies are usually a mess because they simplify, distort and invent. He believes some of those well-crafted films raise issues about the present and influence public opinion about important matters.

March 12 "Joseph McCarthy and the Red Scare" Speaker: Dr. Robert Toplin. Dr. Toplin will explain how a rather obscure senator managed to become one of the most powerful and influential politicians in America over a period of four years.

March 19 "Sarasota and the 1893 Chicago World's Fair" Speaker: Dr. Benita Stambler. Dr. Stambler will explain how Bertha Palmer, John Ringling, and Elling Eide were influenced by the Fair's art, architecture, and commercialization at a crucial time in our country.

March 26 "The Original Heavy Metal Music" Speaker: Wylie Crawford. Can you guess what it is? It began in the Middle Ages. Mr. Crawford played this instrument at Rockefeller Chapel at the University of Chicago for 42 years.

April 2 "Innovating a Greener Future" Speaker: Jennifer O. Rominiecki, President and CEO of Selby Gardens. Ms. Rominiecki has overseen the creation and execution of a new five-year strategic plan for Selby Gardens and a new Master Site Plan in ways that not only save the Gardens' environment, but even improve it.

April 4 at 10 A.M. "Spy Pilot Francis Gary Powers, the U-2 Incident, and Controversial Cold War Legacy" Speaker: Francis Gary Powers, Jr. Mr. Powers will discuss the Cold War, the U-2 Incident, the controversy that surrounded his father, what the family has done to set the record straight, and the Steven Spielberg 2015 movie *Bridge of Spies* that portrays his father's exchange for Soviet spy Rudolph Abel.

UNSUNG HERO ANNOUNCED!

Each year our Residents' Council gives one of our hardworking volunteer residents the "Unsung Hero" award.

This person goes above and beyond each and every day for the folks who live here as well as the folks who work here.

Herman Wissenberg (pictured) is the recipient of this year's award. Just one of the things he did this year is start a popular pinochle group. He also teaches the folks who may have never played or just a "refresher"! Thanks, Herman!

Residents' Council president, Martha Bonham, presents Herman Wissenberg with 2018's "Unsung Hero" Award!

Spiritual Care News

GRIEF SUPPORT: The Spiritual Care Committee is planning to start a grief support group for residents of Bay Village. It is designed for people who have lost a loved one at least two months prior. Sessions will be once a week for six weeks and possibly on Saturday morning.

CHAPLAIN'S CORNER

Rev. Dr. Chuck Moffett

It was 7:30 Tuesday morning. I was about to leave my condo to go to work. There was a sharp rap on the door. The person on the other side of the door said, "We are here to paint the exterior of your entrance door....and by the way, your door will have to stay open for at least six hours, so someone will need to be here for the full time."

I acknowledged that I had received notice that the door was to be painted on that day, *but nothing was said that someone would need to be present for the "curing" time.* I said, *"I live by myself, and I work full-time. If I had known."*

Quickly, I called BV and said I would be working at home for the day. All my plans and appointments would have to be changed. I was not happy!

When all else fails, I fix a cup of tea. I did. I began to look at the day from a new perspective. I realized I had been going so intently on my self-determined schedule, that I had run off and left my soul behind. This "interruption" into MY plan served as a much-needed "two-by-four" up alongside my head: *"Chuck, you need to take some time to let your soul catch up with you."* Slowly, a renewing and redemptive spirit engulfed me....and the day became more productive than if had I gone to the office and pursued my OCD plan.

Maybe I am not the only one who is racing through life so fast that one's soul is being left behind. That rap on my front door that morning was a loud slap for me to take time to stop, rest, play, and pray. Without those moments, is it any wonder that we feel God is so distant from us? The question is: *"Who moved: God or me?"*

May we all support each other in taking time for our souls to catch up with us.
