NICHOLS' NOTES

Spring has arrived in Southwest Florida. I have heard many positive comments about how the campus grounds are looking here at Bay Village.

I see many of you walking the grounds daily. Have you stopped by the butterfly garden and orchid gardens recently? They both are looking extremely nice. I am appreciative of the residents who have worked diligently on these garden areas.

The Department Director team and myself have been working with SFCS and moving from conceptual design of memory care and master planning to the schematic designs. Two areas I hope to begin actual work on yet this year include the three apartment floor core and corridor renovations and also the public restrooms located on the ground floor.

Board member Kevin Hicks, Marvin Lunsford, SFCS and I met with several construction companies the first of March, and we will be selecting one that will be the general contractor for all the upcoming work.

It is my hope that we will be able to acquire permits at the end of the year for the memory care building and master plan with approvals sometime in 2020.

I wish you and your family a very happy Spring!

Wellness Corner...by Petra Mueller

Start April with a breakfast at the Nokomis Jetty, watching dolphins frolic in the waves. The date is April 3rd for this trip. Before it gets too hot we are offering another Ringling Bridge Walk on Saturday, April 13th where you have the opportunity to walk the bridge once, twice or just stay on the waterfront and stroll from bench to bench.

Alec Weitzel, our COO, will give an educational talk on the Health Center. This will be followed by an Open House of the Health Center with guided tours in May. You will have to sign up for the tours and they are going to be in small groups of 4.

We will end the month with a Masterclass on April 27th starting at 10 am.

Some very important news: we are having a new Wellness section in the Library. You will find it in the back of the Library to the right; we are making you walk to get there, because that is good for you.:)

CUTE

A genie meets three guys and tells them, "I will grant each of you one wish." Then he asks the first guy what he wants.

The guy says, "I want to be one hundred times smarter." "Poof," the genies says, "now you are one hundred times smarter."

"How about you?" the genie says to the second guy. The guy says, "I want to be one thousand times smarter." "Poof," the genies says, "now you are one thousand times smarter."

"Now it's your turn" the genie says to the third guy. The guy says, "I want to be one million times smarter." "Poof," the genies says, "now you are a woman."

Walk On

It's spring. The grass is green, the flowers are blooming and the evenings are long. Enjoy the gorgeous weather by going for a walk with no particular destination in mind.

"Afternoon Delight!"

The AFTERNOON DELIGHT Quartet is made up of members of the Sarasota Chorus of the Keys Barbershop Chorus.

The members are: Bob Amer, Tenor; Dick Zarfos, Lead; Jim Woods, Bass; and Vernon Sievers, Baritone.

The quartet offers 30 and 45 minute packages of songs popular from the 1920s thru the '70s. Songs range from melodies made popular by famous crooners, Broadway show tunes, patriotic numbers, songs of the season and gospel songs where appropriate.

The quartet performs for private parties, banquets, retirement communities, civic organizations, and church functions. Bob Amer as an "Irish Tenor" sang with the Notre Dame Glee Club, which sang on the Ed Sullivan, Mike Douglas, and Andy Williams shows. Bob has been a member of the Chorus of the Keys for 7 years. Dick Zarfos has been singing Barbershop for 32 years and moved to Sarasota in 2003. Jim Woods has been a Barbershop singer since 1967. Jim

and Dick sang in the 2012 Florida Senior Champion Barbershop quartet called OLD GUYS RULE. Vern started his musical career as a Doo-wop singer with the Heartbeats in New York. Their hit single was "A Thousand Miles Away." Vern joined the Chorus of the Keys in 2003. All four members are retired and still married to their first wives. They let us out to rehearse in the AFTERNOON and it's such a DELIGHT. Then we hurry off for the Early Bird Specials!

Join us for a super concert on Thursday, April 4th at 7:30 p.m.

Welcome Back Betty!

"**BETTY COMORA**, a versatile entertainer, enjoys performing as vocalist, pianist/vocalist, rhythm banjoist and --would you believe -- *washboard player!* Other interests are song and play writing, video production and organizing fun events. She "comes to the aid of the party" with enthusiasm and her good sense of humor." (*Arlene Corsano, writer/producer*)

After performing with wedding and top forty bands, today she concentrates on her favorite style of music -- the jazz of the 1920s through the '40s -- Dixieland, Swing, Ballads and Big Band. She has been featured in jazz festivals and events throughout the United States plus in London and Stockholm - and will be featured for the fourth year in the Suncoast Jazz Classics in Clearwater, Florida.

She has played at Bay Village for about twenty years so we hope you will enjoy this "truly fun" performer on Thursday, April 11th at 7:30 p.m.!

Sun to Rain

Umbrellas were invented as protection from the sun's rays, not rain showers. The word umbrella comes from the Latin word *umbra*, meaning "shade."

CHAPLAIN'S CORNER

Rev. Dr. Chuck Moffett

There is, I think, a basic and radical (root) conviction that is missing in our 21st century world. If this conviction were to be recaptured, nurtured, and practiced the entire planet would be redeemed. The conviction I have in mind is:

EACH PERSON IN THE WORLD IS A CHILD OF GOD!

Each person is God's work of art. Each one is a precious gem, a marvelous melody, a potter's delight. Each person is God's handiwork, and together, woven in love, shaped with infinite compassion, painted with incredible beauty.

We are God's children, diverse in human qualities, but united in our call to love God with all our heart, mind, soul, and strength, and to love our neighbor as ourselves.

We are God's children, living in God's truth, sharing God's peace, carrying God's hope, embodying God's love throughout the world God loves so much.

We are to be reminded once more *who* we are, *whose* we are, and what our lives are about: our world, each other, and not only about ourself.

Each one of us is here to be uplifted, renewed, and empowered to live out the miracle of being a child of God, and seeing ALL others as a child of God also. We are here together to open ourselves to God, who makes all things new!

(adapted from "God's Work of Art," Rev. David Inglis)
