## June 2019

### NICHOLS' NOTES

June is here on our campus. I looked back at my Nichols' Notes from a year ago when I wrote about purchasing the three houses on Vamo Road and that this location would someday house Bay Village's memory care household. A year later, I am writing that an adjoining property on Livingstone has been purchased to provide for additional parking spaces for the memory care household. We are still a year away from breaking ground on this project, but you will see some activity there as the land is being surveyed and boring holes are being drilled to determine soil types.

During the month of May, Bay Village celebrated all of our wonderful volunteers with the annual Volunteer Luncheon. The Resident Services department did an outstanding job putting this luncheon together. The kitchen staff did a wonderful job with the lunch itself. All of our volunteers performed exceedingly well during the past year. I appreciate each and every one of our volunteers. They are an important part of the culture here at Bay Village.

Our new poolside area is being used by various floors for their apartment parties. I have heard a lot of positive comments from residents about the ability to hold parties poolside with our new serving area outside.

Summer is almost upon us. Stay cool and hydrated!

## Village Vibes

### ANNOUNCEMENTS

Please note the change in time for the BILL programs. BILL will now start at 7:30 every Tuesday.

Save your plastic shopping bags and put them to good use. Ida has a big group of volunteers that are learning to make sleeping mats for the homeless using plastic bags. You can leave your bags in the craft room.

The men's shuffleboard group will now meet at 8:00 on Wednesdays and Saturdays.

Neither the book group nor the Bible Class will meet for the summer.

Do you have a green thumb? There are garden plots available if you would like to plant some things and maintain them. See resident services for more details.

There will be a special Father's Day menu on June 16. Seating times will be at 12:00, 2:00, and 4:00. Happy Father's Day to all!

### SUMMER MOVIES

Most of the movies this summer will have a travel theme to them. So you can sit back and enjoy the beautiful scenery and wild adventure!

"The Secret Life of Walter Mitty" stars Ben Stiller as a photo developer for LIFE magazine. He escapes his mundane world with exciting daydreams until he gets to go on his own adventure.

"Before Sunrise" is the first of a trilogy of movies starring Ethan Hawke as Jesse and Julie Delpy as Celine. In this first movie they spend an evening together in Vienna.

"Before Sunset" is the second part of the trilogy. This time Jesse and Celine spend an afternoon together in Paris.

The third part of the trilogy is "Before Midnight." Celine and Jesse are now on an idyllic vacation in Greece.

"The Way" is a 2010 movie starring Martin Sheen. Sheen portrays a father who attempts the pilgrimage to Spain's Santiago de Compostela after the death of his son.

AND starting this month, Saturday night residents' choice movies at 7:30pm.

### JUNE ENTERTAINMENT

**June 3:** Betty Camora will lead us in a sing a long in the living room at 3:30. We will also have beer and wine available during this event.

**June 6:** Tunde Ilona Krasznai is a pianist, Fulbright Scholar, and a recent graduate of UCLA, where she earned a masters in music, performance, and music therapy. She also holds a master's degree in piano performance from the Liszt Academy Budapest, and a performance certificate from Montclair State University.

**June 13:** Cynthia Sayer is a multi-award-winning instrumentalist/vocalist/bandleader. She is acclaimed by critics as the top 4-string banjoist in the world today. She enchants audiences with her electrifying swing-based performances and captivating stage presence.

**June 20:** Chorus of the Keys is a membership organization of singers, who meet regularly to practice, perform, socialize, and have fun. They have over 30 singers of all walks of life and all parts of the Sarasota area.

### CORRECTION

The May 7 Residents' Council minutes had two errors: June Carol Hines is the chair of the Arts Committee not Dick Wallace, and Bennie Baptist's name was misspelled.

### BAY VILLAGE APP

A group of Bay Village staff have been working for quite some time with Touchtown on developing an app just for Bay Village. This app will be available for residents on their computer, tablet, and/or smart phone. With input from some dedicated resident volunteers, the content of this app has been determined. The Bay Village app has the daily schedule, dining room menus, the Vibes, the resident directory, staff directory, the resident handbook, information on transportation, information on volunteering opportunities, the wellness schedule, frequently asked questions, and more! You can have all of this information at the tip of your finger! We know technology can be scary but we are here to help you. We have been training staff and resident volunteers to help you set up and use the Bay Village App. We will help you set up your own profile with a picture and then we will show you how to get the information you need right from

the app. It should only take about 20 minutes to get you set up and going. The first two training sessions will be held Thursday June 20 anytime from 2:00-4:00 and Tuesday June 25 anytime from 10:00-12:00. Just come to the auditorium during one of these times with your laptop, tablet and/or smart phone and receive individual assistance in setting up the app on your device.

## ENVIRONNEWS

Rainbows and Kudos for Denis O'Connor. You may know we are phasing out Styrofoam here at Bay Village. The new carry-out containers are made from fiber and are compostable. They are not recyclable. Throw them out with the trash not with recyclable paper. Once they are exposed to the elements they will start to decompose.

Even better yet, we will be having a reusable container give away. The Sneiders are purchasing plastic containers with a divider. You will be able to pick up a free one at a table by the dining room entrance on June 12th, 11:30 - 1:30 or 4:30 - 6:30. If you miss the date, you may purchase one at the Country Store for \$1. Please make it a habit to bring the container when you are dining.

Sarasota County does not have a compost facility or hauler. A government Food Packaging Institute report states that where they exist, only 10% accept food scraps from restaurants and facilities and even less accept food service packaging. You may wonder what they do accept: yard waste.

Hurray, Maine is the first state to ban Styrofoam for single use.

We welcome your input. Please contact any of the group members: Janet Mahler, Judy Evenson, Laura Pardee, and Anne Moffitt.

### CHAPLAIN'S CORNER

*Rev. Dr. Chuck Moffett*

*Of all places: it began in a parking lot. I had stopped at a neighborhood pharmacy. I was not ready to turn off the car radio. I wanted to hear the conclusion. Also, I was aware of a young man who had come out of the store. He sat on the sidewalk in front of me where he had parked his bicycle, and took time to plug in his cell phone charger into the outlet which was available. I watched as he placed his purchases into his backpack. I was intrigued with his preciseness, his organization, and his quiet demeanor.*

*Suddenly, I was aware of the Manager coming out to speak to the young man. The talk was congenial, brief, respectful. At that point my radio program ended, so I left the car to do my shopping. As I did, I noticed the young man unplug his charger, pack up his purchases, and leave.*

*I went into the store. Spoke to the Manager, whom I knew. I asked, "Was there a problem with the young man outside?"*

*I learned that a customer in an "expensive" vehicle had driven up, noticed the young man, and had complained, "I am not comfortable with that person sitting outside MY store."*

*The manager told me, "I know that young man. He shops here often. But if a customer complains, I have to remove him from the property."*

*"Do you really have to?," I asked. No answer.*

*I did not shop. I went back to my car, hoping to find the young man. He had left. I sat in my car and cried! I still cry. I hope you also cry!!!!*
